FOIA REQUEST

Mr. Baer:

Pursuant to the federal Freedom of Information Act, 5 U.S.C. § 552, I request access to and copies of all charge letters and terms of reference given to the Intelligence Science Board since its inception in August of 2002. This includes requests by ODNI and other intelligence agencies for studies currently underway by the board.

I agree to pay reasonable duplication fees for the processing of this request.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I will also expect you to release all segregable portions of otherwise exempt material. I, of course, reserve the right to appeal your decision to withhold any information.

As I am making this request as a journalist and this information is of timely value, I would appreciate your communicating with me by telephone, rather than by mail, if you have questions regarding this request.

I look forward to your reply within twenty business days, as the statute requires.

Thanks for you assistance,
