Translation begins here:

In the name of God, most gracious, most merciful

Praise is to God to Whom we turn for help and ask His forgiveness, to whom we ask to be protected from our own sins and bad work, and whoever is guided by God will find his way, and whoever doubts God, there will be none to guide him.

I attest that there is only one God Who has no partner and I attest that Muhammad is His servant and Messenger.

"O ye who believe! Fear God as He should be feared and die not except in a state of Islam" (Quran 3:102).

"O mankind! Reverence your Guardian-Lord who created you from a single person, created of like nature, His mate, and from them twain scattered (like seeds) countless men and women; reverence God, through whom ye demand your mutual (rights), and (reverence) the wombs (that bore you): for God ever watches over you" (Quran 4:1).

"O ye who believe! Fear God, and (always) say a word directed to the Right: That He may make your conduct whole and sound and forgive you your sins: He that obeys God and His Apostle, has already attained the highest achievement" (Quran 33:70-71).

The best words are those in the book of God, and the best guidance is that of Muhammad, May God's blessings and peace be upon him, and the worst of things are those that are created (by man), each of which is a heresy, and each heresy is an aberration, and each aberration leads to fire (hell).

O God, the Lord of Gibrail, Mikael (Gabriel, Michael) and Israfil, the One who knows the unknown and knows martyrdom, You judge the problems that your people disagree on, O God guide us to the truth that people disagree on, O God you guide whoever you want to the right path.

God said, "O ye that believe! Betray not the trust of God and the Apostle, nor misappropriate knowingly things entrusted to you" (Quran 8:27). And the Messenger of God said, "All of you are guardians and are responsible for your subjects".

From: the Jihad and Reform Front

To: The honorable Shaykh Usamah Bin Laden and Dr. Ayman al-Zawahiri, may God safeguard you, protect you, and lead you to the road of Jihad to honor the word of God.

Your brothers at the Jihad and Reform Front strongly reproach you because we have sent you written and voice messages which we underwent the trouble of overcoming obstacles to deliver them to you. We did that as of the early days in which brother ((Abu Mus'ab)) swore allegiance to you, and in our letters we informed you of the consequences of his action, with the complications and the Shari'a breaches that took place, and with the escalating damage that is inflicting the Jihad progress in Iraq and is committed in the name of al-Qa'ida and in your name.

We sent you the evidence and the proof, and we kept on sending you our letters requesting that you personally intervene to solve the grave complications that are encompassing the blessed Jihad work in Iraq and are damaging your reputation. That said, there have not been any measures taken up till now to find a solution to the ongoing regression that forewarns of an imminent catastrophe if the situation remains as is. We demand that you send a clear reply to our previous letters indicating your own position on what is taking place, and it is for you to do that before we mention (variant, "declare") the ongoing catastrophes

and disasters that are committed under the name of the Islamic State by the al-Qa'ida organization in Iraq. We believe that you don't value nor care for our letters and writings to you, and this will be the last complaint that we send to you, after which we will only complain to God.

Comment:

We refer to the first letter that Shaykh Usamah received three years ago via ((Abu al-Layth)) al-Libi and was sent by the Ansar al-Sunnah group, as well as their second letter that was handed over to brother ((Abu al-Darda')) who is well known to you when he was in charge of preparations and training in Camp Kharan and was killed after he delivered the letter to you. The letter was in the form of twelve audio tapes that were received by Shaykh Ayman who also received other letters addressed to you by al-Jaysh al Islami (TN: The Islamic Army) as well as by Jaysh al-Mujahidin (TN: The Mujahidin Army), and by other detachments.

You should be aware that in the day of reckoning, you are responsible in front of God for blessing the work done by the al-Qa'ida in Iraq organization without disavowing the scandals that are committed in your name.

If you still can, then this is your last chance to remedy the Jihad breakdown that is about to take place in Iraq, that is mostly caused by your followers, and let it be known to you that there are calamities taking place now that are much more severe than those of the past.

We ask you good Shaykhs to take action, and to do that through a speech that you air via the satellite TV stations in which you clear yourselves in front of God, the Mujahidin, and the Muslim people who believe that you are responsible for what is taking place in Iraq and the breaches that you didn't disavow, and which you can. We ask you to listen to the words of the good and truthful citizens who aren't your followers, to get true and clear information on what is taking place.

We pray to God to help you achieve your aim and to have you correct what is taking place.

We pray that God's blessings be upon our master Muhammad and his people and companions.
