This matter requires patience with piety and God the Almighty had said: (But if ye are constant and do right, not the least harm will their cunning do to you) and he also said: (behold, he that is righteous and patient,- never will God suffer the reward to be lost, of those who do right.) (TN: Qur'anic verses)

Also, increase the prayers and remembrance of Allah as in the story of Yunis, peace be upon him (Had it not been that he (repented and) glorified God, He would certainly have remained inside the fish till the Day of Resurrection.) (TN: Qur'anic verse). If we had that we would have driven all the Afghanis against the Americans and our sole one was the Pakistani aviation. I believe this is a duty for their sake to form a committee; the purpose is to search for this weapon and you would have privilege over it until it is successful. I had written to the doctor some four years ago about the problem of the anti (TN: anti-aircraft). God only knows what happened; whether he received the letter or not. I have spoken with...
