

CIA Director Petraeus to visit Fort Campbell

August 15, 2012

The Associated Press

FORT CAMPBELL, Ky. — CIA Director David Petraeus is returning to Fort Campbell to attend a division review with the 101st Airborne Division, a unit he led into Iraq in 2003, as the storied division celebrates its 70th anniversary.

His visit on Friday caps a week of celebration at the post on the Tennessee-Kentucky state line honoring the division's history that dates back to World War II.
