Principal Deputy Inspector General of the Intelligence Community Addresses the Strategy & Engagement Directorate's Workforce

(March 19, 2019) As part of an outreach awareness effort, Principal Deputy Inspector General of the Intelligence Community (ICIG) Robin C. Ashton, along with Office of the Director of National Intelligence's (ODNI's) senior leaders from IC Equal Employment Opportunity & Diversity; Office of Civil Liberties, Privacy and Transparency; Office of the General Counsel; and Office of the Ombudsman, provided information to and answered questions from members of the Strategy & Engagement Directorate's workforce about oversight and compliance matters.

During the panel discussion, each office representative provided an organizational overview, highlighting their mission resources and complainant reporting channels and processes. Panelists also clarified in what ways their missions may overlap and explained how they work together to de-conflict and maximize the effectiveness of their resources.

The Intelligence Authorization Act for Fiscal Year 2010 established the Office of the Inspector General of the Intelligence Community within the Office of the Director of National Intelligence. The ICIG's mission is to provide independent and objective oversight of the programs and activities within the responsibility and authority of the Director of National Intelligence, to initiate and conduct independent audits, inspections, investigations, and reviews, and to lead and coordinate the efforts of the Intelligence Community Inspectors General Forum. The ICIG's goal is to have a positive and enduring impact throughout the Intelligence Community, to lead and coordinate the efforts of an integrated Intelligence Community Inspectors General Forum, and to enhance the ability of the United States Intelligence Community to meet national security needs while respecting our nation's laws and reflecting its values. The Forum consists of the twelve statutory and administrative Inspectors General having oversight responsibility for an element of the Intelligence Community. The Chair of the Forum is the Inspector General of the Intelligence Community.
