Office of the Inspector General of the Intelligence Community Recognizes National Compliance Officer Day

(October 1, 2019) The Office of the Inspector General of the Intelligence Community (ICIG) engaged the Office of the Director of National Intelligence (ODNI) workforce with a National Compliance Officer Day event on September 26, 2019. The outreach program was held at ODNI Headquarters in McLean, Virginia.

National Compliance Day honors the contributions of those who are committed to the profession of combating waste, fraud, abuse, and violations of laws and regulations. Each year, professionals who have dedicated their careers to the fields of ethics, compliance, and responding to allegations of misconduct, are acknowledged for their contributions to upholding the law and providing an avenue to report wrongdoing.

The event highlighted the importance of reporting suspected fraud, waste, and abuse, and provided an overview of the ICIG Center for Protected Disclosures. Current ICIG professional opportunities and resource materials to advise the workforce how to contact the ICIG Hotline were also available.

The Intelligence Authorization Act for Fiscal Year 2010 established the Office of the Inspector General of the Intelligence Community within the Office of the Director of National Intelligence. The ICIG's mission is to provide independent and objective oversight of the programs and activities within the responsibility and authority of the Director of National Intelligence, to initiate and conduct independent audits, inspections, investigations, and reviews, and to lead and coordinate the efforts of the Intelligence Community Inspectors General Forum. The ICIG's goal is to have a positive and enduring impact throughout the Intelligence Community, to lead and coordinate the efforts of an integrated Intelligence Community Inspectors General Forum, and to enhance the ability of the United States Intelligence Community to meet national security needs while respecting our nation's laws and reflecting its values. The Forum consists of the twelve statutory and administrative Inspectors General having oversight responsibility for an element of the Intelligence Community. The Chair of the Forum is the Inspector General of the Intelligence Community.
