## **Office of the Inspector General of the Intelligence Community Announces the Fiscal Year 2023 Audit of the Office of the Director of National Intelligence's Financial Statements**

**(February 2023)** The Office of the Inspector General of the Intelligence Community announced the fiscal year 2023 audit of the Office of the Director of National Intelligence (ODNI) financial statements. The Accountability of Tax Dollars Act of 2002 requires that ODNI prepare and submit audited financial statements annually to Congress and the Director, Office of Management and Budget. An independent public accounting firm will conduct the audit (AUD-2023-004).

The objective of this audit is to provide an opinion on whether ODNI's financial statements are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

The audit planning and coordination will begin in February 2023 and the entrance conference will be held in March 2023. The independent audit firm will coordinate all meetings and documentation requests.
