NEWS RELEASE

Review of the Office of the Director of National Intelligence's Compliance with the Payment Integrity Information Act of 2019 for Fiscal Year 2023 (AUD-2024-003)

(May 2024) The Office of the Inspector General of the Intelligence Community (IC IG) completed its review of the Office of the Director of National Intelligence's compliance with 31 U.S.C. §§ 3351-3358 (commonly known as the Payment Integrity Information Act of 2019 or PIIA) for fiscal year (FY) 2023. PIIA aims to improve efforts to identify and reduce government-wide improper payments. Agencies are required to identify and review all programs and activities they administer that may be susceptible to significant improper payments based on guidance provided by the Office of Management and Budget. PIIA directs agency Inspectors General to review payment integrity reporting for compliance and issue an annual report.

The IC IG determined the Office of the Director of National Intelligence met all PIIA requirements and is compliant with PIIA for FY 2023. The IC IG provided a memorandum summarizing the results of the review to the appropriate congressional committees and the Director of National Intelligence.
