NEWS RELEASE

The Office of the Inspector General of the Intelligence Community Releases Its Statement of ODNI's Management and Performance Challenges for Fiscal Year 2023

(January 2024) The Office of the Inspector General of the Intelligence Community (IC IG) has issued what it considers to be the most significant management and performance challenges facing the Office of the Director of National Intelligence (ODNI). *The Inspector General's Statement of ODNI's Management and Performance Challenges — Fiscal Year 2023* drew upon IC IG's body of work, as well as issues conveyed by ODNI senior leaders, Congress, and other oversight entities, to identify four management and challenge areas and four risk areas for ODNI.

The IC IG considers ODNI's management and performance challenges to consist of the following areas (not presented in order of importance):

The IC IG identified the following ODNI risk areas (not presented in order of importance):

The management and performance challenges were also included in ODNI's *Fiscal Year 2023 Agency Financial Report* published in November 2023.
