Office of the Inspector General of the Intelligence Community Announces the FY 2022 Audit of the Office of the Director of National Intelligence's Financial Statements

(February 2022) The Office of the Inspector General of the Intelligence Community has scheduled the Fiscal Year (FY) 2022 audit of the financial statements of the Office of the Director of National Intelligence (ODNI). The Accountability of Tax Dollars Act of 2002 requires that ODNI prepare and submit audited financial statements annually to Congress and the Director, Office of Management and Budget. An independent public accounting firm will conduct the audit of ODNI's FY 2022 financial statements (AUD-2022-003).

The objective of the audit is to provide an opinion on whether ODNI's financial statements are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

The audit planning and coordination will begin in February 2022 and the entrance conference for the audit of ODNI's financial statements will be held in March 2022. Members of the independent audit firm's team will coordinate all meetings and documentation requests.
