Effective immediately, ISE-AM-300, 31 October 2007 ([Reference A](#)) is rescinded.

The ISE Information Interoperability Framework (I2F) ([Reference B](#)) provides sufficient authoritative guidance for interoperable information sharing standards and supersedes CTISS Program Manual, Version 1.0, October 2007 ([Reference C](#)).

Additionally, previous governance structures outlined in ([Reference A](#)) are superseded by those of the Information Sharing and Access Interagency Policy Committee (ISA IPC) and the Standards Coordinating Council.
