Registration requests received prior to registration opening date will not be considered.

*Attention **Certified-Counter Insider Threat Professionals**: these events may count towards professional development units! [Log into your account](#) or learn more about [certification maintenance](#).*

COURSE OFFERINGS

► OPSEC and Public Release Decisions (OPSE-1500)

This course addresses the OPSEC issues that should be considered when reviewing information for public release and public access. Lessons can be applied to preparing information for release in all forms of media (e.g., print, web postings, and public speeches). After completing this course, learners will be able to edit information to be posted, written, and spoken by applying OPSEC principles; and, achieve the originator's objective without compromising critical information.

Target Audience: Individuals involved in determining what information should be released to the public, such as public affairs officers, web masters, Freedom of Information Act review staff, speechwriters, speakers, classification review personnel, and OPSEC coordinators.

Method of Instruction: Microsoft Teams

Course Length: 8 hours (one eight-hour day). All times are Eastern Time.

17 May 2023	0800-1600	Registration opens 5 Apr 2023
27 Jun 2023	0800-1600	Registration opens 16 May 2023
9 Aug 2023	0800-1600	Registration opens 27 Jun 2023
14 Nov 2023	0800-1600	Registration opens 3 Oct 2023

▶ **OPSEC and the Internet Course (OPSE-3500)**

This course introduces learners to common threats, vulnerabilities, and countermeasures associated with the Internet. It will allow OPSEC practitioners to better assess the risk when using Internet-based technologies.

Target Audience: This course is designed for OPSEC Program Managers, OPSEC Program Coordinators (Optional: OPSEC Program working group members).

Method of Instruction: Microsoft Teams

Course Length: 8 Hours (two four-hour days). All times are Eastern Time.

15-16 Mar 2023	1000-1400	Registration opens 1 Feb 2023
10-11 May 2023	1000-1400	Registration opens 29 Mar 2023
16-17 Aug 2023	1000-1400	Registration opens 5 Jul 2023
6-7 Dec 2023	1000-1400	Registration opens 25 Oct 2023

▶ **OPSEC Analysis Course (OPSE-2380)**

This course enables learners to conduct OPSEC analysis. Attendees will be able to develop lists of critical information and the value of each item, identify threats and their values, identify common vulnerabilities and their values, calculate estimated risk, and determine viable countermeasures for reducing risk.

Target Audience: OPSEC practitioners and professionals (typically OPSEC Program Managers, Program Coordinators, and their team members).

Method of Instruction: Microsoft Teams

Course Length: 16 hours (two eight-hour days). All times are Eastern Time.

14-15 Feb 2023	0800-1600	Registration opens 3 Jan 2023
21-22 Mar 2023	0800-1600	Registration opens 7 Feb 2023
6-7 Jun 2023	0800-1600	Registration opens 25 Apr 2023
12-13 Sep 2023	0800-1600	Registration opens 1 Aug 2023
17-18 Oct 2023	0800-1600	Registration opens 5 Sept 2023
12-13 Dec 2023	0800-1600	Registration opens 31 Oct 2023

▶ **OPSEC Program Management Course (OPSE-2390)**

This course will provide learners with the knowledge needed to develop and sustain an effective OPSEC program. Upon completion of the course, attendees will be able to identify the required components of an OPSEC program, outline the responsibilities of program managers and coordinators, develop organizational OPSEC policies, and plan internal and external assessments.

Target Audience: OPSEC Program Managers, OPSEC Program Coordinators (Optional: OPSEC Program working group members)

Method of Instruction: Microsoft Teams

Course Length: 8 hours (one eight-hour day). All times are Eastern Time.

Prerequisite: OPSE-2380, OPSEC Analysis Course

16 Feb 2023	0800-1600	Registration opens 3 Jan 2023
23 Mar 2023	0800-1600	Registration opens 7 Feb 2023
8 Jun 2023	0800-1600	Registration opens 25 Apr 2023
14 Sep 2023	0800-1600	Registration opens 1 Aug 2023
19 Oct 2023	0800-1600	Registration opens 5 Sept 2023
14 Dec 2023	0800-1600	Registration opens 31 Oct 2023
