Subject: RE: FOIA Request - Bloomberg News

Good afternoon Mr. Turton,

Upon receipt of your email below, I took your request to my Chief for additional guidance. Although the reports are likely originated by NSA as the 2017 Charter indicates, you are correct that ODNI would still have copies of them and that this office should process your request as received.

Your request will be opened today, and, although originally this request would not have been granted expedite, due to the delay caused by our initial response, we are granting your request. In addition, all fees associated with processing this request will be waived. Searches will be initiated today and any responsive records located will be processed appropriately. For your awareness, if documents originated with another government agency we are required to refer the document(s) to that agency for their review and response to you. Should responsive documents originate with ODNI, but contain the equities of other agencies, we are required to consult with those agencies regarding release of their information and ODNI will provide the final response in those instances.

"(c) Annual Reports.--

(1) In general.--Not less frequently than once each calendar year, the Director of National Intelligence shall submit to the congressional intelligence committees a classified report containing, with respect to the previous year--

(A) the number of vulnerabilities submitted for review under the Vulnerabilities Equities Process;

(B) the number of vulnerabilities described in subparagraph (A) disclosed to each vendor responsible for correcting the vulnerability, or to the public, pursuant to the Vulnerabilities Equities Process; and

(C) the aggregate number, by category, of the vulnerabilities excluded from review under the Vulnerabilities Equities Process, as described in paragraph 5.4 of the Vulnerabilities Equities Policy and Process document.

(2) Unclassified information.--Each report submitted under paragraph (1) shall include an unclassified appendix that contains--

(A) the aggregate number of vulnerabilities disclosed to vendors or the public pursuant to the Vulnerabilities Equities Process; and

(B) the aggregate number of vulnerabilities disclosed to vendors or the public pursuant to the Vulnerabilities Equities Process known to have been patched."

Your refusal to open and process our request is contrary to FOIA. Please inform us within 3 days whether you will acknowledge receipt and begin processing our request. If not, we will consider your request a constructive denial.

Specific duties of the VEP Executive Secretariat include:

- Maintain VEP POC, SME, and ERB member contact information.
- Maintain records of all vulnerabilities that have been identified to the VEP Executive Secretariat. At a minimum, records will include the submitting agency, the dissemination determination and date, and whether reassessment is necessary. Other pertinent information may also be recorded.
- Create an annual report as described in Section 4.3.
- Document and maintain records of the contested preliminary determination process described in Section 5.2.6.

FREEDOM OF INFORMATION ACT REQUEST

Dear FOIA Officer:

This is a request for records under the Freedom of Information Act ("FOIA"), 5 U.S.C. § 552 and the Privacy Act, 5 U.S.C. § 552a. This request should be considered under both statutes to maximize the release of records. I request access to and copies of two most recent unclassified executive summaries (2019,2020) written by the Vulnerabilities Equities Process Executive

belief.

FOIA requires that your agency respond to my request for expedited treatment within 10 business days. In the event your agency denies my request for expedited treatment, whether through your agency's affirmative denial of the request for expedited treatment or through your agency's failure to respond to the request for expedited treatment, then FOIA requires that your agency nonetheless respond to the underlying request for information within 20 business days of receipt of this letter. This request is segregable, and your agency may not withhold entire records because of one section that you believe is exempt from disclosure. Under federal law, if you choose to withhold any such parts of the records from disclosure, you must specify in a written response the factual and legal basis for withholding any part of the Records.

Please contact me if I may assist in your office's response to this request. As I am making this request as a journalist and this information is of timely value, I would appreciate your communicating with me by telephone or email, rather than by mail, if you have questions regarding this request.

Thank you for your assistance.

Sincerely,

William Turton
