ICIG,

Below is the notification I received about my DoD Hotline Complaint being closed. I have tried to get info. about the adjudication of my case, to no avail.

As stated over the phone today, I have had similar experience with complaints submitted to the SOCOM IG, CJTF-HOA IG, AFRICOM IG, 902nd MI Brigade, the FCC, EOC, and WV Dept. of Taxation. I have also experienced problems with VA support (or lack thereof). Additionally, I have reported some of the issues to my Navy Reserve Security rep, NGIC Security, and TRANSCOM JECC Security.

As a broad brush, I have lost my job three times in the DoD, been unemployed for most of the past 8 years since losing my job on Active Duty, been harassed, sabotaged, reprised against, and more. I reported a couple of incidents of what I think were directed energy attacks, while working as a reservist with DIA out of Rivanna Station in Charlottesville, and in my home in Charlottesville. I have been wrongly accused of not paying my taxes and had a collection submitted against me by the VA to the Dept. of the Treasury, while I was mobilized and without knowledge of the situation.

There is a lot more to it; I am trying to find someone who will consider the full scope of what I've experienced.

You may file a Freedom of Information Act request with the Joint Staff Inspector General to obtain case records which are authorized for public release by that organization.
