Component Mission:

The Office of the Director of National Intelligence (ODNI), Chief Operating Officer (COO) has the responsibility and authority for supervising, coordinating, providing guidance, and administering the Director of National Intelligence's (DNI) direction to the ODNI, as well as providing guidance to the ODNI centers. This includes integrating and synchronizing policy, plans, positions, procedures, and cross-functional issues. The COO is responsible for synchronizing and integrating the ODNI staff to execute all missions and tasks designated by the DNI and the Principal Deputy Director of National Intelligence (PDDNI). In addition, the COO oversees the internal management of the ODNI.

Major Duties and Responsibilities:

• Maintain and provide 24/7 global situational awareness information to ODNI and Intelligence Community (IC) leaders.

• Monitor, sort, prioritize, and analyze intelligence and operational message traffic.

• Perform community outreach and collaboration activities by planning and engaging in internal and external information sharing, fostering collaborative relationships with interagency partners, and communicating timely and relevant intelligence information.

• Participate in the preparation of reports to ensure substantive accuracy with global events; edit and provide quality control review of written products.

• Develop and deliver oral briefings and written reports to ODNI leadership on significant global events.

Mandatory Requirements:

• Ability to develop written intelligence products, as well as the ability to brief counterparts and senior officials on those products, answer detailed questions, and provide supporting information.

• Ability to maintain and develop effective working relationships with counterparts and more senior staff in the IC for the purpose of sharing information.

• Knowledge of the ODNI and larger IC mission, operations, tradecraft, capabilities, and requirements.

• Ability to make assessments of time-sensitive issues, adjust priorities, and change focus quickly as demands change.

• Ability to work effectively both independently and in a team or collaborative environment, coupled with established and effective interpersonal, organizational, and problem-solving skills.
• Ability to work rotating shifts of 12 hours in a fast-paced demanding environment providing oversight over a contractor officer.

• Knowledge of relationships and interrelationships in the IC and collection capabilities, including crisis/operations center with 24-hour/7-day responsibilities.

• Good oral and written communication skills, including the ability to clearly convey intelligence information and technical data to all levels of management.

• Ability to work collaboratively with senior defense, domestic, and national IC officials.

• Interpersonal and organization skills, including ability to manage competing priorities under strict guidelines while maintaining superior customer service.
