**Job Interview Travel:** Candidates from outside the Washington, D.C., area may be selected for a telephone, teleconference, or in-person interview. If selected for an in-person interview, any travel or lodging will be at the applicant’s personal expense.

Position Information

This is an opportunity for:

- An internal candidates to fill a GS-15 cadre position.
- A Federal Government employee to serve on a two-year reimbursable detail assignment in the ODNI. The detail assignment may be extended an additional year if all parties agree.

Who May Apply

Current GS employees at the same grade may apply.

Former members of the Peace Corps may be considered for ODNI employment only if five full years have elapsed since separation from the Peace Corps.

- For a cadre assignment:
  - Current ODNI permanent cadre.
- For a detailee assignment:
  - Current Federal Government employees at the same grade may apply.
Salary Determination

- The ODNI uses a rank-in-person system in which rank is attached to the individual.
- A selected ODNI candidate or other Federal Government candidate will be assigned to the position at the employee's current GS grade and salary.

Component Mission:

The Office of the Chief Financial Officer (CFO) leads the development, negotiation, and presentation of the National Intelligence Program (NIP) budget to the President and the Congress. The CFO's three main responsibilities include resource management (budget analysis, formulation, justification, and execution), performance planning and evaluation, and financial management improvement.

Major Duties and Responsibilities:

- Lead data science programs by identifying strategic methodological issues and areas of focus to support decision making by the most senior policymakers.
- Establish priorities and plan research and other projects; establish project goals.
- Engage with customers to understand and participate changing needs and requirements; anticipate substantive questions. Offer recommendations for resolution based on quantitative analysis.
- Collaborate with IC collectors and analysts to identify and close gaps on complex intelligence problems; devise creative all source data collection strategies to fill intelligence gaps; task specific collections resource.
- Lead the identification of new sources of intelligence and advance quantitative query. Lead quantitative analysis, ensuring all products incorporate multiple lines of inquiry and are fully coordinated with all stakeholders.
- Expand approaches and strategies to market statistical and methodological services to new or potential partners or customers.
- Manage the compilation and review often disparate and inconsistent data to address the most complex intelligence issues or problems for the most senior internal/external customers.
- Direct accurate, timely, and sophisticated data analysis in support of the most complex key Agency, United States national security and foreign policy objectives and to shape Intelligence Community analysis priorities. Conduct complex statistical, mathematical, geospatial modeling, and data mining analysis independently or in partnership with other Data Scientist or Analyst colleagues.
- Oversee the conception, preparation, and communication an extensive range of strategic, high complex graphics, computational models/tools, or written/oral assessments on significant or contentious issues for the most senior internal and external customers (e.g., policymakers, IC components, Agency executives).
- Mentor the full range of data scientist to support employee and product development. Guide exploitation of quantitative and computational models, analytic methods and tools, geospatial modeling, and data/or data mining.
- Initiate, develop, and conduct in-depth analysis of IC budget trends and issues. Apply critical thinking to devise and evaluate alternative strategies and innovative solutions for key program and budget issues throughout the budget process.
Mandatory Requirements:

- Expert knowledge of business operations and associated processes.
- Expert knowledge of appropriate analytic methods and methodological tools in one or more of the following areas: Applied Mathematics (e.g., probability and statistics, formal modeling, computational social sciences); Computer Programming (e.g., programming languages, math/statistics packages, computer science, machine learning, scientific computing); and Visualization (e.g., GIS/geospatial analysis, telemetry analysis).
- Expert knowledge of research designs. Superior ability to develop comprehensive computer software applications, as needed.
- Superior ability to leverage multiple data management tools to organize relevant information and make decisions.
- Superior ability to apply intellectual curiosity; creativity and innovation to go beyond current tools to deliver the best solution to complex problems.
- Superior ability to effectively communicate complex, multi-disciplinary ideas and insights.
- Superior ability to identify and/or develop business opportunities.
- Superior ability to translate complex, technical findings into an easily understood narrative (i.e., tell story with data).
- Superior analytical and critical thinking skills, including superior ability to think strategically.
- Superior ability to multitask and change focus quickly as demands change.
- Superior ability to evaluate data drawing pertinent inferences from data trend analysis, and interpretation of such inferences in keeping with the requirements of officials responsible for planning or for making policy decisions.
- Superior ability to apply analytic, diagnostic, and qualitative techniques, conduct independent research, filter and synthesize data sufficient to identify and evaluate alternatives and produce clear, logical, and concise products and recommendations to resolve complex, interrelated program and budgetary problems and issues.

Key Requirements and How to Apply

*Internal ODNI Cadre Candidates must submit an application through the classified JobsDNI website.*

For current employees who do not currently have access to internal systems, applications should be sent to either DNI_COO_HRM_HR_OPSTEAM_A_WMA@cia.ic.gov (classified email system) or Recruitment_TeamA@dni.gov (unclassified email system).

Applicants experiencing technical issues may submit their application via email to either email system.

Applicants submitting via JWICS are requested to submit their materials to both portifa@dni.ic.gov (Faith P.) and mccreaz@dni.ic.gov (Zina M.) in lieu of the group address above.

All attachments should be in Microsoft Word or Adobe PDF format.

Applications submitted through the classified email system should NOT contain classified information above the TS//SI/TK//NOFORN level.

**CURRENT FEDERAL EMPLOYEES APPLYING FOR A DETAIL ASSIGNMENT:**
Applicants from federal agencies within the Intelligence Community (IC) may be considered for this position as a reimbursable detailee, if endorsed by the employing agency. Applicants must have current TS/SCI clearances with polygraph or have the ability to obtain one. The ODNI does not conduct polygraphs or provide security clearances for detailees. Applicants from within the IC must submit an application through the classified IC Joint Duty Program website.

Applicants from federal agencies outside the IC must provide:

a. **WRITTEN ENDORSEMENT** from the employing agency concurring with the detail.

b. **RESUME**: Applicants are encouraged to carefully review the vacancy announcement, particularly the MDRs, and construct their resume to highlight their most significant experience and qualifications relevant to this job opportunity.

c. **PERFORMANCE EVALUATIONS**: Applicants are required to provide their two most recent performance evaluations. A justification is required in the cover letter if the applicant is unable to provide the two most recent evaluations.

d. **VACANCY NUMBER**: Reference the vacancy number in the subject line of the email and on each document submitted.

e. **CURRENT SF-50**: Federal Government employees must provide an SF-50, “Notification of Personnel Action” to verify current federal status, position, title, grade, and organization of record. Please disregard if you are not a Federal Government employee.

f. **COVER LETTER**: Applicants must submit a cover letter as a supplement to the resume to elaborate on their qualifications and previous work performed.

WHERE TO SUBMIT: Applications should be sent to either DNI_COO_HRM_HR_OPS_TEAM_A_WMA@cia.ic.gov (classified email system) or Recruitment_TeamA@dni.gov (unclassified email system). Applicants submitting via JWICS are requested to submit their materials to both portifa@dni.ic.gov (Faith P.) and mccreaz@dni.ic.gov (Zina) in lieu of the group address above. All attachments should be in Microsoft Word or Adobe PDF format.

Applications submitted through the classified email system should NOT contain classified information above the TS//SI/TK//NOFORN level.

All Applicants:

**APPLICATION PACKAGES MUST CONTAIN ALL ITEMS LISTED ABOVE. AN INCOMPLETE APPLICATION PACKAGE WILL BE INELIGIBLE FOR CONSIDERATION.**

Your application MUST be received by midnight on the closing date of this announcement. Applications received after the closing date will NOT be eligible for consideration.

To verify receipt of your application package ONLY, you may call 703-275-3799.

What to Expect Next
The most highly qualified candidates will be referred to the hiring manager for further consideration and possible interview. We expect to make a selection within 30 days of the closing date of this announcement. Due to the large number of applications received, applicants will be contacted ONLY if they have been selected for an interview.
