## **Component Mission**

The National Counterterrorism Center (NCTC) leads our nation's effort to combat terrorism at home and abroad by analyzing the threat, sharing that information with our partners, and integrating all instruments of national power to ensure unity of effort. The Center serves as the primary organization in the United States Government (USG) for analyzing and integrating all intelligence possessed or acquired by the USG pertaining to terrorism and counterterrorism, and its Director serves as the Counterterrorism Mission Manager. NCTC also serves as the central and shared knowledge bank on known and suspected terrorists and international terrorist groups, as well as their goals, strategies, capabilities, and networks of contacts and support. In addition, NCTC conducts strategic operational planning for counterterrorism activities, coordinating and integrating the efforts of departments and agencies across the Federal Government.

## **Major Duties and Responsibilities (MDRs)**

- Provide strategic leadership, vision, and direction for NCTC's strategy for advancing data analytics to include overseeing the development of technical, analytic, and information sharing policy.
- Provide direction and oversight of NCTC's safeguarding and compliance management activities ensuring mission gains maximum advantage from the Center's data holdings and NCTC upholds its responsibility to protect privacy and civil liberties.
- Stay abreast of applicable laws, directives, and policies that impact the Center's ability to use data and fulfill its obligations to oversee and apply necessary data safeguards.
- As part of the NCTC Deputy Director's Group and the IT Board of Directors, participate in setting organization direction and making corporate resource and policy decisions aligned with the evolving NCTC mission. Advocate for ODSI's resource requirements, including budget and personnel. Advocate for Center resource requirements related to Mission Portfolio Managers.
- Collaborate and identify opportunities with Counterterrorism Community partners and IC agencies to advance U.S. Government mission capability by combining efforts from across agencies.
- Participate in IC forums, committees of the Executive Office of the President, members of Congress, and other major stakeholders as necessary regarding IT investments and policy matters, as well as actively participate in IC policy groups to drive policy formulations that benefit NCTC's data analytics mission.

## **Mandatory and Educational Requirements**

- Expert knowledge of and familiarity with the NCTC and its counterterrorism mission, objectives, and programs.

- Extensive experience in successfully communicating - - both written and verbal - - the strategic and tactical aspects of complex programs and concepts to diverse audiences of varying levels of competency to include external IC seniors, the White House, Members of Congress, and internal NCTC customers.
- Strong experience in establishing and maintaining organizational vision and goals tied with demonstrable examples of personal success and accountability in meeting those goals.
- Strong strategic and tactical planning, critical thinking and analytic skills, required to propose innovative solutions and implement change with resourcefulness and creativity.
- Familiarity with data science, big data analytics, and information sharing policy.
- Outstanding interpersonal skills and ability to work effectively, independently, and exert influence both internal and external to NCTC.
- Proven ability to coordinate, network, and communicate across the IC and USG agencies to develop, coordinate and influence change.
- Experience with Contracting Activities.
