- A current Federal Government employee, selected for a detail, will be assigned to the position at his or her current grade and salary.

**Component Mission**

The National Counterterrorism Center (NCTC) leads our nation's effort to combat terrorism at home and abroad by analyzing the threat, sharing that information with our partners, and integrating all instruments of national power to ensure unity of effort. The Center serves as the primary organization in the United States Government (USG) for analyzing and integrating all intelligence possessed or acquired by the USG pertaining to terrorism and counterterrorism, and its Director serves as the Counterterrorism Mission Manager. NCTC also serves as the central and shared knowledge bank on known and suspected terrorists and international terrorist groups, as well as their goals, strategies, capabilities, and networks of contacts and support. In addition, NCTC conducts strategic operational planning for counterterrorism activities, coordinating and integrating the efforts of departments and agencies across the Federal Government.

**Major Duties and Responsibilities (MDRs)**

NCTC’s Directorate of Intelligence (DI) is seeking an energetic officer to serve as a Tradecraft Reviewer and Senior Intelligence Officer (SIO) in the Tradecraft Cell in the DI’s Analytic and Multimedia Production Group (AMP). This position entails shift work and is entitled to night differential, Sunday premium, and holiday pay.

- This position requires the skills of a motivated self-starter with excellent interpersonal skills who can work collaboratively with analysts, managers, designers, cartographers, and Intelligence Community (IC) stakeholders to ensure that consumers receive the highest quality finished intelligence in a timely fashion.

- As one of several AMP Tradecraft Reviewers, provide substantive review of finished intelligence products—including for the President’s Daily Brief and the Terrorism Intelligence Brief (TIB)—to ensure adherence to NCTC/DI tradecraft principles as well as for clarity, brevity, organization, logic.

- As TIB-shift SIO, oversee finalization, publication, and dissemination of each night’s TIB book and other products as needed, acting as the DI’s lead decision-maker in the absence of DI and AMP leadership. Ensure that relevant products are free from ambiguous language and typos, are appropriately classified, and reach their intended audiences.
• Cultivate and maintain productive relationships with intelligence officers to provide prompt feedback and guidance on drafts, assistance in conceptualizing and producing products, and coaching and mentorship on analytic tradecraft and writing.

• Represent NCTC/DI and lead corporate initiatives on analytic tradecraft– and production-related issues within the Directorate, Center, and IC.

Mandatory and Educational Requirements

• Previous experience writing finished analytic intelligence products. Demonstrated analytic and critical thinking skills, including superior ability to think strategically with little or no supervision.

• Extensive knowledge of the high priority intelligence issues and items of interest to intelligence publications’ customers.

• Demonstrated interpersonal skills and superior ability to work effectively with individuals at both the working level and at the highest levels of government; confidence and effectiveness in working with government officials as well as with senior Office of the Director of National Intelligence (ODNI) officers.

• Demonstrated time management skills and ability to prioritize tasks with competing deadlines and superior ability to work effectively under extremely tight deadlines.

Desired Requirements

• Previous experience reviewing finished intelligence products and/or driving finished intelligence production processes.

• Penchant for thoroughness and a sharp eye for detail.

• A willingness to innovate. Ability to identify opportunities to improve on existing capabilities and practices and to follow through with practical, collaborative, and creative solutions.

• Strong mentoring and coaching skills and experience providing guidance to other officers, including managers.
