Salary Determination

- The ODNI uses a rank-in-person system in which rank is attached to the individual. A selected ODNI candidate or other Federal Government candidate will be assigned to the position at the employee's current GS grade and salary.
- A current Federal Government employee, selected for a detail, will be assigned to the position at his or her current grade and salary.

Component Mission

The National Counterterrorism Center (NCTC) leads our nation's effort to combat terrorism at home and abroad by analyzing the threat, sharing that information with our partners, and integrating all instruments of national power to ensure unity of effort. The Center serves as the primary organization in the United States Government (USG) for analyzing and integrating all intelligence possessed or acquired by the USG pertaining to terrorism and counterterrorism, and its Director serves as the Counterterrorism Mission Manager. NCTC also serves as the central and shared knowledge bank on known and suspected terrorists and international terrorist groups, as well as their goals, strategies, capabilities, and networks of contacts and support. In addition, NCTC conducts strategic operational planning for counterterrorism activities, coordinating and integrating the efforts of departments and agencies across the Federal Government.

Major Duties and Responsibilities (MDRs)

- Serve as a Sensitive Datasets Compliance Officer in the NCTC Office of Data Strategy and Innovation (ODSI) Compliance and Transparency Group (CTG).
- Assist in the implementation of NCTC's Standard Minimization Procedures governing access to unminimized (raw) FISA information, including but not limited to preparing for and participating in Department of Justice Minimization Reviews; participating in regularly scheduled interagency working groups; development, in consultation with NCTC Legal, of all FISA training materials for the NCTC workforce; drafting IT development requirements for processing and storing FISA data; management of user focus groups; creation and coordination of NCTC input to oversight reports and transparency releases related to the NCTC FISA program.
- Implement programs, policies, procedures, and training to ensure NCTC compliance with its legal authorities, data provider agreements, internal policy, and other relevant policies, guidelines, and procedures governing access to and use of sensitive datasets while protecting Intelligence and Law Enforcement sources and methods, operational equities, and US persons' privacy.
- Collaborate with mission, Mission Systems, Legal, and CLPO to develop IT requirements for the use and handling of sensitive datasets to advance mission use of data while ensuring compliant data handling pursuant to legal authorities, data provider agreements, and internal policy.
- Continually expand personal expertise with regard to the development and implementation of information sharing tools, technology, plans, and policies to facilitate the cooperation and effective coordination of the Office of the Director of National Intelligence (ODNI), the IC, and other U.S. Government agencies.
- Prepare briefings, reports, and presentations for NCTC and ODNI leadership, senior policymakers, IC members, external oversight entities, and other intelligence consumers in a manner that meets their specified requirements.

Mandatory and Educational Requirements

- Ability to communicate clearly, orally and in written reports and documents, policies, plans, and programs related to improving information sharing across the US Government.
- • Ability to logically analyze, synthesize, and judge information, as well as the ability to review and incorporate multiple sources of information in performing assignments.
- • Ability to develop effective professional and interpersonal relationships with peers and colleagues in ODNI, the IC, and U.S. Government, and to earn their confidence and trust.
- • Interpersonal, organizational, and problem-solving skills, including ability to work effectively at a senior level within an interagency environment on complex issues requiring negotiation and consensus-building.
- • Ability to balance responsibilities among assigned activities; including the ability to manage transitions effectively from task to task, and adaptability to varying customer needs.

Desired Requirements

- Thorough knowledge of the mission, charter, roles, and responsibilities of the NCTC, ODNI, IC, and U.S. Government agencies, and how these organizations can effectively cooperate in implementing information sharing plans and programs.
- • Experience working with Foreign Intelligence Surveillance Act (FISA) data or other similarly sensitive intelligence collection programs.
- Minimum Qualifications Experience: One year equivalent to at least next lower grade level in the normal line of progression. Experience in one or more of the following areas: data handling oversight and compliance, information sharing, policy, technical collection, collection system development, requirements policy development; requirements management; intelligence analysis.
- Education:
 - • Bachelor's Degree or equivalent experience.
