- A current Federal Government employee, selected for a detail, will be assigned to the position at his or her current grade and salary.

Component Mission

The Office of the Director of National Intelligence (ODNI), Chief Management Officer (CMO) has the responsibility and authority for supervising, coordinating, providing guidance, and administering the Director of National Intelligence's (DNI) direction to the ODNI, as well as providing guidance to the ODNI centers. This includes integrating and synchronizing policy, plans, positions, procedures, and cross-functional issues. The CMO is responsible for synchronizing and integrating the ODNI staff to execute all missions and tasks designated by the DNI and the Principal Deputy Director of National Intelligence (PDDNI). In addition, the CMO oversees the internal management of the ODNI.

COO Facilities and Logistics (F&L) provides, manages, and maintains adequate facility space to house ODNI staff and support the ODNI mission, regardless of the location. This also includes facilities oversight, logistics support, and environmental safety and health services for four (4) sites with eight (8) buildings; encompassing approximately 1.5 million square feet of space. COO F&L serves the ODNI staff exclusively and enables planning and coordination of ODNI F&L requirements. We act as the primary ODNI liaison with F&L service providers and other organizations to accomplish ODNI projects. We have COO F&L staff to accomplish small projects (i.e. conceptual designs, planning, programming, and procurements, etc.), and have the expertise to coordinate and provide appropriate follow-up and monitoring for larger projects. In addition to traditional facilities functions (facilities operations, space management, and real property), COO F&L functions include logistics procurement, asset management, and service level agreements. We also have an Environmental Safety & Health (ESH) office to protect employees, the public, and the environment and to comply with applicable laws and protect ODNI's reputation. COO F&L leadership continually strives to provide the best workplace for F&L teammates. We have flexible work schedules and a positive work environment that enables the successful achievement of F&L staff's personal goals at the same time the overall ODNI mission. On the COO F&L Team, we value ourselves – "We avail ourselves of the opportunities to take care of ourselves and our families to ensure we are motivated to effectively perform our duties when called upon" ... We value each other – "We all bring valuable skill sets to the job, and strive to cultivate and share those skills to ensure completion of the mission and the personal fulfillment of our teammates in a mutually supportive environment" ... We value the mission – "We work with each other to support the operational missions that are securing our shared American experience, within the confines of our Constitutional protections, at a reasonable cost to our fellow taxpayers. One Team, One Fight!"

Major Duties and Responsibilities (MDRs)

- Serve as the COO/ODNI Chief of Support responsible for overseeing the COO F&L staff and service support platform to provide a full range of support services and integrated solutions needed to accomplish the Office of the Director of National Intelligence (ODNI) and other facility tenants' mission.

- Lead and provide day-to-day oversight of all mission support activities (Facilities, Logistics, IT, Security, CI, HR) and serve as the conduit for support to various mission support offices at the ODNI headquarters.
- Coordinate and integrate all campus support activities with the CRI and ISG service providers. Ensure all support activities are executed in support of mission requirements in an efficient and effective manner and ensure all facility systems are maintained in accordance with industry best practices to maintain facility readiness.
- Serve as ODNI liaison to all facilities tenants for all mission support-related functions and services, to include space requirements, renovations and tenant service support agreements.
- Lead and provide oversight to complex Office of the Director of National Intelligence (ODNI) facilities projects or programs ensuring alignment with corporate objectives, including those projects or programs with ill-defined requirements, parallel tasks, multiple dependencies, high risks, and multiple interfaces; lead the scheduling and prioritization of work tasks and prioritize critical activities for facilities projects from initiation to completion.
- Provide strategic oversight and direction in the monitoring, identification, and resolution of day-to-day ODNI facilities issues, including those related to heating and cooling, ventilation, lighting, cleanliness, sanitation, the general appearance of buildings and grounds, and emergency situations.

Mandatory and Educational Requirements

- Superior communication, interpersonal, networking, and analytical skills; superior ability to effectively manage competing priorities while adhering to strict guidelines; and superior ability to work effectively, independently, and also in a collaborative environment.
- Expert ability to lead, develop, interpret, and enforce ODNI facility policies and building operation guidelines and manage the preparation of reports and information required by ODNI, Office of Management Budget (OMB), Congress, and other government agencies.
- Superior ability to develop financial forecasts, conduct analysis, and lead campus projects concerning space management and occupancy, security and life safety, within the ODNI.

Desired Requirements

- COTR certification or willingness to obtain COTR certification within 90 days.
- At least one of the following certifications (or pursuing certification): Project Management Professional (PMP), Certified Property Professional (CCP), Certified Facility Manager (CFM), Professional Engineer License (P.E.), or Registered Architect (R.A.)
