Job Title: 23520 - Data Scientist, NCTC/ODSI - GS-14

Salary Range: $83,398 - $152,352 (not applicable for detailees)

Vacancy Open Period: 10/08/2019 – 10/08/2020

Position Type: Cadre, Detailee

Who May Apply: Internal ODNI Candidates, Detailees

Division: NCTC/ODSI

Duty Location: McLean, VA

Security Clearance: TS/SCI with CI Polygraph

Travel Required: 0-25% Travel

Relocation Expenses: For new ODNI employees, reimbursement for relocation is discretionary based on availability of funds.

Job Interview Travel: Candidates from outside the Washington, D.C., area may be selected for a telephone, teleconference, or in-person interview. If selected for an in-person interview, any travel or lodging will be at the applicant’s personal expense.

Position Information

***OPEN UNTIL FILLED: This announcement will be open until the position is filled. Cut off points are scheduled in two-week increments. After each cut-off point, all compliant applications received during the previous two weeks will be reviewed for consideration.***

This is an opportunity for:

- An internal candidate to fill a GS-14 cadre position.

- A Federal Government employee to serve on a two-year reimbursable detail assignment in the ODNI. The detail assignment may be extended an additional year if all parties agree.

Who May Apply

Current GS employees at the same grade or up to two grades lower than the advertised position grade may apply.

Former members of the Peace Corps may be considered for ODNI employment only if five full years have elapsed since separation from the Peace Corps.

- For a cadre assignment:
  - Current ODNI permanent cadre.
• For a detailee assignment:
  o Current Federal Government employees. (Current GS employees at the same grade or up to two grades lower than the advertised position grade may apply).

Salary Determination

• The ODNI uses a rank-in-person system in which rank is attached to the individual. A selected ODNI candidate or other Federal Government candidate will be assigned to the position at the employee's current GS grade and salary.

• A current Federal Government employee, selected for a detail, will be assigned to the position at his or her current grade and salary.

Component Mission

The National Counterterrorism Center (NCTC) leads our nation's effort to combat terrorism at home and abroad by analyzing the threat, sharing that information with our partners, and integrating all instruments of national power to ensure unity of effort. The Center serves as the primary organization in the United States Government (USG) for analyzing and integrating all intelligence possessed or acquired by the USG pertaining to terrorism and counterterrorism, and its Director serves as the Counterterrorism Mission Manager. NCTC also serves as the central and shared knowledge bank on known and suspected terrorists and international terrorist groups, as well as their goals, strategies, capabilities, and networks of contacts and support. In addition, NCTC conducts strategic operational planning for counterterrorism activities, coordinating and integrating the efforts of departments and agencies across the Federal Government.

Major Duties and Responsibilities (MDRs)

• Devise data science programs by identifying strategic methodological issues and areas of focus to support decision making by the most senior policymakers.
• Lead a team of developers, data scientists, engineers, and architects in creating AI/ML and data science solutions that are cross-transferrable to other mission sets and scalable to the broader IC and USG.
• Enhance the execution of compliance-related auditing activities through AI and ML process automation; increase use of automation to ensure protection of USPER privacy and civil liberties.
• Lead data science programs by identifying strategic methodological issues and areas of focus to support decision making by the most senior policymakers.
• Exercise independent priorities and plan research and other projects; establish project goals.
• Engage with customers to understand and participate changing needs and requirements; anticipate substantive questions. Offer recommendations for resolution based on quantitative analysis.
• Collaborate with IC collectors and analysts to identify and close gaps on complex intelligence problems; devise creative all source data collection strategies to fill intelligence gaps; task specific collections resource.
• Independently develops the identification of new sources of intelligence and advance quantitative query. Develops quantitative analysis, ensuring all products incorporate multiple lines of inquiry and are fully coordinated with all stakeholders.
• Determines approaches and strategies to market statistical and methodological services to new or potential partners or customers
• Coordinate the compilation and review often disparate and inconsistent data to address the most complex intelligence issues or problems for the most senior internal/external customers.
• Coordinate accurate, timely, and sophisticated data analysis in support of the most complex key ODNI, United States national security and foreign policy objectives and to shape Intelligence Community analysis priorities. Conduct complex statistical, mathematical, geospatial modeling, and data mining analysis independently or in partnership with other Data Scientist or Analyst colleagues.
• Assist in building the conception, preparation, and communication an extensive range of strategic, high complex graphics, computational models/tools, or written/oral assessments on significant or contentious issues for the most senior internal and external customers (e.g. policymakers, IC components, Agency executives).
• Mentor the full range of data scientist to support employee and product development. Facilitate exploitation of quantitative and computational models, analytic methods and tools, geospatial modeling, and data/or data mining.

Mandatory and Educational Requirements

• Extensive knowledge of individual, organizational, and technical or transnational issues of national security concern.
• Extensive knowledge of business operations and associated processes.
• Extensive knowledge of appropriate analytic methods and methodological tools in one or more of the following areas: Applied Mathematics (e.g. probability and statistics, formal modeling, computational social sciences); Computer Programming (e.g. programming languages, math/statistics packages, computer science, machine learning, scientific computing); and Visualization (e.g. GIS/geospatial analysis, telemetry analysis).
• Extensive knowledge of research designs. Demonstrated ability to develop comprehensive computer software applications, as needed.
• Demonstrated ability to leverage multiple data management tools to organize relevant information and make decisions.
• Demonstrated ability to apply intellectual curiosity; creativity and innovation to go beyond current tools to deliver the best solution to complex problems.
• Demonstrated ability to effectively communicate complex, multi-disciplinary ideas and insights.
• Demonstrated ability to identify and/or develop business opportunities.
• Demonstrated ability to translate complex, technical findings into an easily understood narrative (i.e. tell story with data).
• Demonstrated analytical and critical thinking skills, including superior ability to think strategically.
• Demonstrated ability to multitask and change focus quickly as demands change.
• Demonstrated ability to evaluate data drawing pertinent inferences from data trend analysis, and interpretation of such inferences in keeping with the requirements of officials responsible for planning or for making policy decisions.

Desired Requirements

Experience: 10 years of related experience is preferred. Education: Bachelor’s degree in quantitative or technical field of study (e.g. statistics, mathematics, computer science, physical science, economics, Geographic
Information Systems) Certifications/Licenses: Depending upon assignment, may require Contracting Officer Technical Representative certification.

**Key Requirements and How to Apply**

**Internal ODNI Candidates:**

A complete application package must include:

- **RESUME:** Applicants are encouraged to carefully review the vacancy announcement, particularly the MDRs, and construct their resume to highlight their most significant experience and qualifications relevant to this job opportunity.
- **PERFORMANCE EVALUATIONS:** Applicants are required to provide their two most recent performance evaluations. A justification is required in the cover letter if the applicant is unable to provide the two most recent evaluations.
- **VACANCY NUMBER:** Reference the vacancy number in the subject line of the email and on each document submitted.
- **COVER LETTER:** Applicants must submit a cover letter as a supplement to the resume to elaborate on their qualifications and previous work performed.

**WHERE TO SUBMIT:** Applications should be sent to either DNI_COO_TM_HR_OPS_TEAM_C_WMA@cia.ic.gov (classified email system) or Recruitment_TeamC@dni.gov (unclassified email system). Applicants submitting via JWICS are requested to submit their materials to both saksdav@dni.ic.gov (David S.) and longvj@dni.ic.gov (Vincent L.) in lieu of the group address above. All attachments should be in Microsoft Word or Adobe PDF format.

Applications submitted through the classified email system should NOT contain classified information above the TS//SI/TG//NOFORN level.

**Current Federal Employees Applying for a Detail Assignment:**

**Applicants from federal agencies within the Intelligence Community (IC)** may be considered for this position as a reimbursable detaillee, if endorsed by the employing agency. Applicants must have current TS/SCI clearances with polygraph or have the ability to obtain one. The ODNI does not conduct polygraphs or provide security clearances for detailees. **Applicants from within the IC must submit an application through the classified IC Joint Duty Program website.**

**Applicants from federal agencies outside the IC must provide:**

- **WRITTEN ENDORSEMENT** from the employing agency concurring with the detail.
- **RESUME:** Applicants are encouraged to carefully review the vacancy announcement, particularly the MDRs, and construct their resume to highlight their most significant experience and qualifications relevant to this job opportunity.
- **PERFORMANCE EVALUATIONS:** Applicants are required to provide their two most recent performance evaluations. A justification is required in the cover letter if the applicant is unable to provide the two most recent evaluations.
- **VACANCY NUMBER:** Reference the vacancy number in the subject line of the email and on each document submitted.
e. CURRENT SF-50: Federal Government employees must provide an SF-50, “Notification of Personnel Action” to verify current federal status, position, title, grade, and organization of record. Please disregard if you are not a Federal Government employee.

f. COVER LETTER: Applicants must submit a cover letter as a supplement to the resume to elaborate on their qualifications and previous work performed.

WHERE TO SUBMIT: Applications should be sent to either
DNI_COO_TM_HR_OPS_TEAM_C_WMA@cia.ic.gov (classified email system) or Recruitment_TeamC@dni.gov (unclassified email system). Applicants submitting via JWICS are requested to submit their materials to both saksdag@dni.ic.gov (David S.) and longvj@dni.ic.gov (Vincent L.) in lieu of the group address above. All attachments should be in Microsoft Word or Adobe PDF format.

Applications submitted through the classified email system should NOT contain classified information above the TS//SI//TK//NOFORN level.

All Applicants:

APPLICATION PACKAGES MUST CONTAIN ALL ITEMS LISTED ABOVE. AN INCOMPLETE APPLICATION PACKAGE WILL BE INELIGIBLE FOR CONSIDERATION.

Your application MUST be received by midnight on the closing date of this announcement. Applications received after the closing date will NOT be eligible for consideration.

To verify receipt of your application package ONLY, you may call 703-275-3955.

What to Expect Next

The most highly qualified candidates will be referred to the hiring manager for further consideration and possible interview. We expect to make a selection within 30 days of the closing date of this announcement. Due to the large number of applications received, applicants will be contacted ONLY if they have been selected for an interview.
