Component Mission

The National Counterterrorism Center (NCTC) leads our nation's effort to combat terrorism at home and abroad by analyzing the threat, sharing that information with our partners, and integrating all instruments of national power to ensure unity of effort. The Center serves as the primary organization in the United States Government (USG) for analyzing and integrating all intelligence possessed or acquired by the USG pertaining to terrorism and counterterrorism, and its Director serves as the Counterterrorism Mission Manager. NCTC also serves as the central and shared knowledge bank on known and suspected terrorists and international terrorist groups, as well as their goals, strategies, capabilities, and networks of contacts and support. In addition, NCTC conducts strategic operational planning for counterterrorism activities, coordinating and integrating the efforts of departments and agencies across the Federal Government.

This position is part of the Directorate of Identity Intelligence (DII) Front Office; however, the position will be located at the Threat Screening Center (TSC) in Vienna, VA. The officer would be responsible for providing input and recommendations on Operational and Information Technology project requirements that impact the TSC, NCTC, and other identified US Intelligence Community partners.

Major Duties and Responsibilities (MDRs)

Serve as the senior liaison to TSC and NCTC to focus on collaborative efforts that serve to strengthen the IT infrastructure that supports the nation's national security posture.

Deliver strategic program leadership on critical technical issues related identity intelligence, watchlisting, and screening and vetting.

Engage with internal and external TSC stakeholders through the identification, development, and implementation of critical IT projects that impact national security threats managed by the TSC.

Advocate for collaborative projects impacting the development of innovative, pioneering techniques and technologies not currently implemented by the TSC and NCTC.

Lead, manage, and organize working groups, meetings, and other forums to exchange information, develop recommendations, resolve issues, and implement specific policies regarding technical issues.

Mandatory and Educational Requirements

Knowledge of IC organizations, policies, and procedures, and their requirements with regard to terrorist identities intelligence, and research and analysis.

Demonstrated ability to communicate clearly, both orally and in writing.

Interpersonal, organizational, and problem-solving skills, including a demonstrated ability to work effectively within an interagency environment on complex issues requiring negotiation and consensus-building.

Desired Requirements

Knowledge of USG identity intelligence, watchlisting, or screening capabilities.

Knowledge of USG data management and information sharing policies.
