**Component Mission**

The National Counterterrorism Center (NCTC) leads our nation's effort to combat terrorism at home and abroad by analyzing the threat, sharing that information with our partners, and integrating all instruments of national power to ensure unity of effort. The Center serves as the primary organization in the United States Government (USG) for analyzing and integrating all intelligence possessed or acquired by the USG pertaining to terrorism and counterterrorism, and its Director serves as the Counterterrorism Mission Manager. NCTC also serves as the central and shared knowledge bank on known and suspected terrorists and international terrorist groups, as well as their goals, strategies, capabilities, and networks of contacts and support. In addition, NCTC conducts strategic operational planning for counterterrorism activities, coordinating and integrating the efforts of departments and agencies across the Federal Government.

**Major Duties and Responsibilities (MDRs)**

- Serve as a Group Chief within the NCTC Office of Data Strategy and Innovation (ODSI).

- Provide oversight and leadership in the planning, development, and implementation of programs, policies, and procedures to ensure NCTC compliance with its data-handling and safeguarding obligations pursuant to legal authorities, data provider agreements, internal policy, and other relevant policies, guidelines, and procedures. Support the innovative use of data in pursuit of the NCTC counterterrorism mission, effective information sharing, the protection of intelligence and law enforcement sources and methods, operational equities, and the privacy and civil liberties of United States (U.S.) persons.

- Lead and direct the organization’s sensitive intelligence and information technology system access approval operation ensuring that customers’ needs are met and that information is timely and accurate.

- Lead and oversee the planning, identification, development, and implementation of effective solutions to data handling compliance and intelligence access issues experienced by NCTC.

- Lead, oversee, and orchestrate inter-agency and cross-directorate collaboration on the development of internal information sharing and safeguarding policies, guidelines, and procedures, and/or broker information sharing and safeguarding agreements with external entities; evaluate and assess these efforts to ensure that they are successful.

- Lead, oversee, plan, and develop the implementation of information safeguarding and compliance activities and programs that coordinate and integrate the competing requirements and priorities of multiple stakeholders.
• Provide leadership, oversight, and guidance in the preparation of briefings, reports, and presentations for NCTC and ODNI leadership, senior policymakers, IC members, external oversight entities, and other intelligence consumers in a manner that meets their specified requirements.

• Lead a team of professional staff and assess performance, collaborate and oversee goal setting, and provide feedback on personnel development.

• Oversee a team of contract personnel, in coordination with the COTR, to ensure timely thorough completion of deliverables and adherence to statement of work.

• Continually expand personal expertise with regard to the development and implementation of data safeguarding and information sharing tools, technology, plans, and policies to facilitate the cooperation and effective coordination of the National Counterterrorism Center, the Office of the Director of National Intelligence (ODNI), the IC, and other U.S. Government agencies.

Mandatory and Educational Requirements

• Superior ability to communicate clearly, orally and in written reports and documents, policies, plans, and programs complex information in a clear, concise manner that is targeted to and meets the needs of diverse audiences with different perspectives, objectives, and levels of technical understanding.

• Superior ability to logically and objectively analyze, synthesize, and judge information, as well as the demonstrated ability to review and incorporate multiple sources of information in performing assignments.

• Superior ability to develop effective professional and interpersonal relationships with peers and colleagues in NCTC, ODNI, the IC, and U.S. Government, and to earn their confidence and trust.

• Superior interpersonal, organizational, and problem-solving skills, including a demonstrated ability to work effectively at a senior level within an interagency environment on complex issues requiring negotiation and consensus-building.

• Superior ability to balance responsibilities among assigned activities; including the demonstrated ability to manage transitions effectively from task to task, and demonstrated adaptability to varying customer needs.

• Extensive experience in cross community complex programs and making recommendations to improve products and services; considerable ability to deal with service failures and prioritize customer needs.

• Demonstrated on-the-job experience leading a high-performance team of staff and contractor personnel.

Desired Requirements

• Demonstrated knowledge of the mission, charter, roles, and responsibilities of the NCTC, ODNI, IC, and U.S. Government agencies, and how these organizations can effectively cooperate in implementing information sharing plans and programs.
• Demonstrated knowledge of NCTC legal authorities, policies, and procedures governing information sharing and data-handling.

• Demonstrated knowledge of the Foreign Intelligence Surveillance Act, including Section 702.

Minimum Qualifications Experience:
• Demonstrated experience leading strategic planning, managing, and directing the successful efforts of a government or private organization or demonstrated experience in technical collection, collection system data development, requirements policy development or requirements management.

Education:
• Bachelor’s Degree or equivalent experience as determined by mission area.
