Position Information

This is an opportunity for:

- An internal candidate to fill a GS-15 position.

- A Federal Government employee to serve on a two-year reimbursable detail assignment in the ODNI. The detail assignment may be extended an additional year if all parties agree.

Who May Apply

Current GS employees at the same grade or two grades lower than the advertised position grade may apply.

Former members of the Peace Corps may be considered for ODNI employment only if five full years have elapsed since separation from the Peace Corps.

- For a cadre assignment:
  - Current ODNI permanent cadre.

- For a detailee assignment:
  - Current Federal Government employees at the same grade or one below may apply.)
Salary Determination

- The ODNI uses a rank-in-person system in which rank is attached to the individual.
- A selected ODNI candidate or other Federal Government candidate will be assigned to the position at the employee's current grade and salary.

***Duty location for this position may be filled in one of the three locations: Reston, VA., Dayton, OH or Huntsville, Ala***

***OPEN UNTIL FILLED: This announcement will be open until the position is filled. Cut-off points are scheduled in two-week intervals. After each cut-off point, all compliant applicants received during the previous two weeks will be reviewed for consideration.***

Component Mission:

National Security Partnerships synchronizes IC support and whole of government efforts with federal, state and local governments, the private sector and the Department of Defense, ensuring IC outreach is coordinated, timely and relevant. It also provides key leadership for activities in four domains that operate across national sectors – aviation, maritime, space and cyber -- bringing the IC's activities in these domains into alignment, and facilitating coordinated engagement internal to the ODNI, across the IC and with the rest of the federal government.

Major Duties and Responsibilities:

Provide expert guidance and assistance to Director, Space Threat Assessment Cell (STAC) regarding resource planning, programming, budgeting, financial execution, and contract planning, management and execution in support of the STAC's mission.

Enable and support STAC's comprehensive, long-term space threat assessment strategy in support of U.S. space security requirements, in collaboration with IC and DoD partners and customers. Directly influence the planning, execution, production, publication and dissemination of detailed technical assessments of future foreign space and counterspace capabilities that go beyond the intelligence record.

Coordinate and guide the planning, programming and budgeting activities for the STAC, to include budget justification activities, Congressionally Directed Actions and responses; advise STAC leadership on budgetary and other resource issues.

Lead, plan and author resource strategies, resource analytic papers, background papers, talking points, resource issues papers and/or other products to support the senior leadership in making informed programmatic decisions. Continually modify long-range plans in accordance with changes in D/STAC, NIM S&TI, NSP, ODNI, and Congressional direction.

Lead assessments to leverage best practices and lessons learned.

Execute the STAC's annual operating budget. Plan, prepare, analyze, forecast, schedule, administer and sequence funding actions to ensure cost-effective STAC operations, responsible financial management and effective audit readiness.
Serve as a Contracting Officer Technical Representative (COTR) providing overall administration, performance oversight, and technical direction for STAC contracts, service-level agreements and other interagency agreements.

Serve as the technical liaison between the CO and contractor; Monitor contract performance and delivery of the final products and/or services, and verify work performed meets qualitative and quantitative expectations.

Prepare and coordinate key acquisition documents (Statements of Work (SOW), Cost Estimates, Acquisition Plans, Evaluation Criteria, Memorandums of Agreement, etc.) in support of new and on-going STAC efforts.

Collaborate with Other Government Agencies and IC mission partners to ensure Service Level Agreements, Interagency Agreements and intergovernmental financial transactions are approved and executed appropriately and efficiently.

Oversee and execute the payment of funds for work performed through the invoice payment process.

Manage ongoing working relationships and expectations with customers, stakeholders, users, and decision authorities to meet STAC leadership objectives and goals.

**Mandatory Requirements:**

Expert knowledge of IC organizations; IC mission posture, structures, capabilities, processes and policy development.

Extensive knowledge of the concepts, principles, practices, laws, and regulations of financial management, budgeting, accounting, acquisition and procurement and auditing sufficient oversee and guide a complex set of projects, contracts, manpower and resources in support of the STAC mission.

Demonstrated ability to plan, prepare, justify, administer, analyze, forecast, and monitor budget/financial information to ensure cost-effective support of organizations and programs.

Demonstrated experience and credentials as a Contracting Officer’s Technical Representative (COTR) or Contracting Officer’s Representative (COR); Ability and willingness to train and certify as an active ODNI COTR, if formal COTR/COR certifications and experience were gained in legacy assignments.

Proven ability to assess organizational processes and programs to provide financial advice and recommendations within the context of operational requirements; Ability to consider and assess the intent of financial or budgetary and program legislation and its effect on the achievement of STAC strategic objectives.

Extensive knowledge of financial management policy, regulations, and financial systems, and demonstrated ability to apply sound and independent judgment in order to resolve complex financial issues.

Demonstrated expert oral and written communication skills necessary to communicate effectively with key stakeholders at all levels within ODNI and with IC, other USG and a broad range of external mission partners; ability to give effective oral presentations, and to otherwise represent the ODNI, NSP, NIM S&TI and D/STAC in interagency meetings and other fora

Creative problem-solving skills and superior ability to provide leadership in carrying out mission responsibilities.

Expert situational judgment and interpersonal and networking skills to work collaboratively, and build strong relationships across occupations, organizations and geographic boundaries.
Desired Qualifications

Contracting Officer Technical Representative (COTR) Level II certification or the willingness to achieve COTR Level II certification.

Program Management Certification or the willingness to achieve formal Program Management certification.

Prior experience working in a complex Compartmented Access and/or Special Access Program environment.

Experience working in a geographically-separated environment.

Knowledge of the Space Protection mission.

Prior Military Experience and/or civilian experience working in a DoD element such as a Combat Support Agency, the Joint Staff, USDI, or a Combatant Command.

Key Requirements and How to Apply
