Component Mission

The Office of the Director of National Intelligence (ODNI) Deputy Director of National Intelligence for Intelligence Integration (DDNI/II) serves as the Director of National Intelligence's (DNI) senior leader for intelligence integration across the IC enterprise. DDNI/II is responsible for ensuring customer outcomes by leading advances in collection and analysis that ensure the quality, timeliness, and utility of insights for the nation's decision-makers. Additionally, DDNI/II is responsible for increasing expertise and improving tradecraft at all levels through specialization, integration, and collaboration. DDNI/II is responsible for the strategic vision, direction, and planning to deliver a more integrated IC reflecting the collective wisdom of our collection and analytic components to advance, in support of the National Intelligence Managers, the Unifying Intelligence Strategies (UIS).

Major Duties and Responsibilities (MDRs)

- Evaluate, integrate, review, and develop planning efforts to counter foreign cyber threats in coordination and collaboration with other U.S. Government agencies.
- Monitor the implementation of interagency plans by coordinating and integrating competing requirements and priorities of multiple stakeholders; plan and participate in interagency meetings.
- Identify gaps and impediments that are negatively impacting successful IC cyber threat intelligence programs, plans and implementation efforts and develop solid and well-researched recommendations for policies/procedures designed to reduce these gaps.
- Plan, prepare, and present briefings, reports, meeting materials and other written products to Office of the Director of National Intelligence (ODNI) leadership, senior policymakers, National Security Staff, and other U.S. Government consumers in a manner that meets their specified requirements.
- Coordinate and integrate interagency and cross-ODNI directorate collaboration on programs and objectives; evaluate and assess these efforts to ensure their success.
- Plan, promote, and share information and knowledge within ODNI and with other government agencies, and effectively recognize, value, build, and leverage diverse and collaborative networks within these organizations.
- Develop and continually expand personal expertise in facilitating the cooperation and effective coordination of organizations within ODNI, the IC, and other U.S. Government agencies.

Mandatory and Educational Requirements

- Six years of experience leading strategic planning, managing, and directing the successful efforts of a government or private organization or nine or more years of experience in foreign cyber threat analysis, technical collection, and requirements management.

Desired Requirements

OFFICE OF THE DIRECTOR OF NATIONAL INTELLIGENCE
