Component Mission

The Office of the Director of National Intelligence (ODNI) Deputy Director of National Intelligence for Mission Integration (DDNI/MI) serves as the Director of National Intelligence's (DNI) senior leader for intelligence integration across the Intelligence Community's (IC) enterprise. DDNI/MI is responsible for ensuring customer outcomes by leading advances in collection and analysis that ensure the quality, timeliness, and utility of insights for the nation's decision-makers. Additionally, DDNI/MI is responsible for increasing expertise and improving tradecraft at all levels through specialization, integration, and collaboration. DDNI/MI is responsible for the strategic vision, direction, and planning to deliver a more integrated IC reflecting the collective wisdom of our collection and analytic components to advance. (U) National Intelligence Managers (NIM) are members of the National Intelligence Management Council (NIMC), which collectively provides the "voice of the mission" to senior leaders at the NSC, IC, and across the interagency and orchestrates the management of mission activities with regard to intelligence integration. NIMs oversee and integrate all aspects of the Intelligence Community's (IC) collection and analytic efforts against a particular region or function. Each NIM serves as single focal point within the ODNI for the integration of all activities related to the particular region or function, as well as being the DNI's specified representative on the region/function. Each NIM develops a Unifying Intelligence Strategy (UIS) to communicate and synchronize the IC. NIMs maintain senior-level contacts with the intelligence, policymaking and warfighting communities so that a full range of intelligence requirements are met on daily, short-term and long-term bases.

Major Duties and Responsibilities (MDRs)

- Lead the development and implementation of the Integrated Mission Strategy (IMS). Provide overarching guidance on IMS conceptualization, and coordinate all phases of the effort within NIMC and across ODNI at key decision points.
- Lead a professional staff, assess performance, oversee goal setting, and provide feedback on personal and professional development. Interact with NIMC leadership to ensure compliance and collaboration with policies, which aid in developing the organizational culture.
- Collaborate within NIMC to refine and institutionalize a corporate cross-NIM approach to providing mission inputs to DMI, ODNI, and the IC.
- Work with NIMC leadership to oversee the formulation, development, production and evaluation of a broad range of policies, processes, and guidance on mission enabling functions and intelligence oversight disciplines, and communicate these policies, processes, and guidelines to community stakeholders.

- Develop, evaluate, and analyze project proposals and action plans, determining impact on current resources, and forecasting resource needs. Maintain effective working relationships with other ODNI and IC components and other government agencies to address issues that span multiple mission or program areas.
- Lead assessments to leverage best practices and lessons learned.
- Create and sustain effective partnerships with other ODNI components and directorates, and with key IC elements.
- Support briefings to senior IC officials and other major stakeholders on a wide range of mission management issues and challenges.

Mandatory and Educational Requirements

- Superior interpersonal skills and superior ability to work effectively in both independent and in a team or collaborative environment.
- Superior oral and written communication skills, including superior ability to draft and edit written reports of varying length and complexity, and to communicate effectively with audiences of varying seniority and expertise.
- Superior leadership skills and ability to lead interagency working groups, build coalitions with IC elements to achieve common goals.

Desired Requirements

- Superior analytical and critical thinking skills, including the superior ability to think strategically, identify needs and requirements, develop recommendations, and evaluate outcomes against goals and objectives.
- Superior ability to manage strategic and tactical level topics, and develop innovative recommendations and solutions for improvement.
- Expert knowledge of IC organizations; IC mission posture, structures, capabilities, processes, and policy development.
