Position Information

This is an opportunity for:

- An internal candidate to fill a GS-15 cadre position.
- A Federal Government employee to serve on a two-year reimbursable detail assignment in the ODNI. The detail assignment may be extended an additional year if all parties agree.

Who May Apply

Current GS employees at the same grade or one grade lower than the advertised position grade may apply.

Former members of the Peace Corps may be considered for ODNI employment only if five full years have elapsed since separation from the Peace Corps.

- For a cadre assignment:
 - Current ODNI permanent cadre.
- For a detailee assignment:

- Current Federal Government employees. (Current GS employees at the same grade or one grade lower than the advertised position grade may apply.)

Salary Determination

- The ODNI uses a rank-in-person system in which rank is attached to the individual. A selected ODNI candidate or other Federal Government candidate will be assigned to the position at the employee's current GS grade and salary.
- A current Federal Government employee, selected for a detail, will be assigned to the position at his or her current grade and salary.

OPEN UNTIL FILLED: This announcement will be open until the position is filled. Cut off points are scheduled in two-week increments. After each cut off point, all compliant applicants received during the previous two-weeks will be reviewed for consideration.

Component Mission

National Security Partnerships synchronizes IC support and whole of government efforts with federal, state and local governments, the private sector and the Department of Defense, ensuring IC outreach is coordinated, timely and relevant. It also provides key leadership for activities in four domains that operate across national sectors – aviation, maritime, space and cyber -- bringing the IC's activities in these domains into alignment, and facilitating coordinated engagement internal to the ODNI, across the IC and with the rest of the federal government. The NIM Aviation Mission is performed under the auspices of the U.S. Air Force Deputy Chief of Staff for Intelligence, Surveillance and Reconnaissance by the National Aviation Intelligence Integration Office (NAI2O) and in conjunction with the Air Force Civil Aviation Intelligence Analysis Center.

Major Duties and Responsibilities (MDRs)

- Serve as NIM-Aviation's (NIM-A) Liaison/Mission Manager for the Deputy Director of National Security Partnerships (DD-NSP), representing NIM-Aviation and supporting DD-NSP on all issues related to NSP domain coordination.
- Provide direct support to NSP leadership on Aviation domain intelligence issues.
- Facilitate incorporation of NIM Aviation priorities and requirements into strategic planning across National Security Partnership functions to include Domain Coordination, IC-DOD Coordination, Federal-State-Local Partnerships and Private Sector.
- Facilitate incorporation of Aviation priorities and requirements into strategic planning across ODNI functions to include Mission Integration (National Intelligence Managers), Enterprise Capacity, Strategy & Engagement, National Counter proliferation Center, National Counterterrorism Center, National Counterintelligence & Security Center and Cyber Threat Intelligence Integration Center.

- Ensure NIM-Aviation is informed of all relevant meetings and activities across ODNI.
- Facilitate the incorporation of Aviation priorities and requirements into strategic communications to include policies, and decision points for DNI, PDDNI, and ODNI Deputy Directors.
- Identify new opportunities for Aviation Domain engagement across ODNI elements.
- Oversee, guide, and monitor the governance structures to ensure decisions are made through the appropriate fora and disputes are resolved expeditiously
- Identify and coordinate accesses for CAP, SAP, and ACCM program to support Aviation intelligence collection campaign development.
- Support and assist in coordinating conferences and events; and to assist with tasking, records management and requests for information.

Mandatory and Educational Requirements

- Experience with and knowledge of the IC, intelligence policy, intelligence operations, and Aviation domain-related issues.
- Experience and knowledge of inter-agency coordination and operations to sustain effective working relationships with other U.S. Government departments, agencies, and centers.
- Ability to support cooperative relationships within the U.S. Government and foreign partners, engage in consensus building and apply and integrate cooperative relationships in the protection of U.S. equities.
- Demonstrated situational judgment and interpersonal, negotiation, and networking skills to collaboratively build strong team relationships across the Directorate, ODNI and other stakeholders.
- Ability to manage sensitive matters and/or complex problems, make key contributions to group efforts, and exercise appropriate leadership and initiative.
- Superior interpersonal, organizational, and problem-solving skills, including demonstrated ability to work effectively both independently and in a team or collaborative environment.
- Ability to listen to, clarify, and communicate complex information clearly, concisely, and in a manner that is targeted to and meets the needs of diverse audiences with different perspectives and objectives.
- Effective understanding of the interrelationship between the Aviation, cyber, space and maritime domains, shaping a comprehensive strategy.
- Effective understanding of the relationship between the Aviation domain and national security concerns, the national economy, and the natural environment.
- Superior oral and written communication skills, including superior ability to draft and edit written reports of varying length and complexity, and to communicate effectively with audiences of varying seniority and expertise.

Desired Requirements

- Experience managing analysis, operational support and intelligence production related to long and short-term requirements.
- Experience working with/in the IC and non-IC including Federal, State, Local, Tribal, and Territorial entities to advance Aviation intelligence integration.
- Experience interpreting broad statements of policy directed by ODNI and the National Security Council.
- Experience with identifying partnerships and collaboration opportunities with the IC, interagency, federal, state, local agencies, private sector and academia.
- Experience with organizational change, transformation, or reorganization.
