- A current Federal Government employee, selected for a detail, will be assigned to the position at his or her current grade and salary.

Component Mission:

The Office of the Director of National Intelligence (ODNI) Deputy Director of National Intelligence for Intelligence Integration (DDNI/II) serves as the Director of National Intelligence's (DNI) senior leader for intelligence integration across the IC enterprise. DDNI/II is responsible for ensuring customer outcomes by leading advances in collection and analysis that ensure the quality, timeliness, and utility of insights for the nation's decision-makers. Additionally, DDNI/II is responsible for increasing expertise and improving tradecraft at all levels through specialization, integration, and collaboration. DDNI/II is responsible for the strategic vision, direction, and planning to deliver a more integrated IC reflecting the collective wisdom of our collection and analytic components to advance, in support of the National Intelligence Managers, the Unifying Intelligence Strategies (UIS).

Major Duties and Responsibilities: (MDRs)

- Lead the Intelligence Community's production of strategic analysis of issues of importance to US interests in African Issues and advise the DNI on key developments and issues.
- Manage the preparation, production and coordination of National Intelligence Estimates and other community papers (Intelligence Community Assessments, Intelligence Community Briefs, and Sense of the Community Memoranda).
- Provide authoritative guidance on priorities – based on customer needs and analytic requirements – for both national intelligence collection and analysis matters.
- Provide expert assessments to the DNI on collection and analysis regarding East and Southern African issues as well as regional security trends, supporting the DNI's role of principal intelligence adviser to the President. Prepare and coordinate background papers and briefing books for the DNI's participation in National Security Council Principals Committee, Cabinet meetings and Congressional testimony.
- Brief senior IC members, policy makers, military decisions makers, members of Congress, and other major stakeholders as necessary on East and Southern African issues as well as regional security trends. Develop and sustain a professional network with IC analysts, analytic managers, and collection managers on African regional issues
- Review and analyze research and production plans on African regional issues of the Community's analytic components; identify redundancies and gaps; direct strategies to address gaps; and advise the DNI on gaps and shortfalls in analytic capabilities across the IC.

- Establish and foster liaison relationships with academia, the business community, and other non-government subject matter experts to ensure the IC has a comprehensive understanding of East and Southern African issues as well as regional security trends.
- Build and leverage diverse collaborative networks within the ODNI and across the IC.

Mandatory and Educational Requirements

- Superior knowledge of East and Southern African issues, broader regional security trends and knowledge of the IC's African analytic community, and collection issues sufficient to lead the IC's analytic production and identify collection requirements and gaps.
- Excellent interpersonal, organizational, and management skills to conceptualize and effectively lead complex analytic projects with limited supervision. Ability to work with and represent the community when analytic views differ among agencies.
- Excellent communications skills, including ability to communicate effectively with people at all levels of leadership and all levels of knowledge of East and Southern African issues as well as regional security trends, to give oral presentations and to otherwise represent the NIC in interagency meetings.
- Proven critical thinking skills and reasoning skills and the ability to prepare finished intelligence assessments and other written products with emphasis on clear organization, concise and logical presentation.
- Extensive knowledge of and ability to apply analytic, diagnostic and qualitative techniques sufficient to produce authoritative finished intelligence products and the ability to employ new methodological approaches to analyze information.
- Creative problem-solving skills and initiative in carrying out mission responsibilities.

Desired Requirements

- Working knowledge and skills to use collaborative tools such as Intellipedia, SharePoint, or on-line Communities of Interest (COIs).
