General Position Information

Job Title: HW671 - Integration and Engineering Group Chief - GS-15

Salary Range: $96,970 - $164,200 (not applicable for detailees)

Vacancy Open Period: 12/28/2018 – 12/28/2019

Position Type: Cadre, Detailee

Who May Apply: Internal ODNI Candidates, Detailees

Division: CIO/CIO

Duty Location: Bethesda, MD

Security Clearance: TS/SCI with CI Polygraph

Travel Required: 0-25% Travel

Relocation Expenses: For new ODNI employees, reimbursement for relocation is discretionary based on availability of funds.

Job Interview Travel: Candidates from outside the Washington, D.C., area may be selected for a telephone, teleconference, or in-person interview. If selected for an in-person interview, any travel or lodging will be at the applicant's personal expense.

Position Information

This is an opportunity for:

- An internal candidate to fill a GS-15 cadre position.

- A Federal Government employee to serve on a two-year reimbursable detail assignment in the ODNI. The detail assignment may be extended an additional year if all parties agree.

Who May Apply

Current GS employees at the same grade or up to two grades lower than the advertised position grade may apply.

Former members of the Peace Corps may be considered for ODNI employment only if five full years have elapsed since separation from the Peace Corps.

- For a cadre assignment:

  o Current ODNI permanent cadre.

- For a detailee assignment:

  o Current Federal Government employees. (Current GS employees at the same grade or up to two grades lower than the advertised position grade may apply.)

Salary Determination

- The ODNI uses a rank-in-person system in which rank is attached to the individual. A selected ODNI candidate or other Federal Government candidate will be assigned to the position at the employee's current GS grade and salary.

- A current Federal Government employee, selected for a detail, will be assigned to the position at his or her current grade and salary.

Component Mission

The Director of National Intelligence (DNI) serves as the head of the Intelligence Community (IC). The DNI also acts as the principal advisor to the President, the National Security Council, and the Homeland Security Council for Intelligence matters related to the national security; and oversees and directs the implementation of the National Intelligence Program. The DNI leads intelligence integration and forges an intelligence community that delivers the most insightful intelligence possible. The Intelligence Community (IC) Chief Information Office is responsible for advancing the Intelligence Community's mission by driving secure collaboration, integration, and information sharing; identifying and addressing information enterprise risks; and providing strategic leadership and oversight of the Intelligence Community's enterprise architecture and enterprise information technology.

Major Duties and Responsibilities (MDRs)

- Leads a team to provide technical integration guidance, oversight, and facilitation to SMEs and Integrators of Intelligence Mission and Business Applications, services, tools, and data to be hosted in the IC Information Environment.

- Provides technical inputs to Compliance Maturity Assessment Framework (CMAF) milestone reviews.

- Provides end-to-end and leads systems engineering analysis to ensure compliance and resolve issues for key IC IT programs.

- Facilitates the analysis, planning, resource allocation and strategy for system enhancements, new technology insertion and divestment decisions for legacy system.

- Provides the engineering analysis, documentation, and activities needed to support release and deployment of services and systems.

- Leads the development of interoperability test plans, building upon the component test plans developed by the service providers; coordinates the testing of new capabilities with other elements to ensure that all equities are covered in the test process; serves as the independent validation and verification test director, conducting the technical functionality testing and coordinating the activities of other elements as they conduct analysis and accreditation testing and the user functionality testing.

- Leads a team of professional staff and assess performance, collaborate and oversee goal setting, and provides feedback on professional development.

Mandatory and Educational Requirements

- Experienced in cross community complex programs and making expert recommendations to improve products and services; considerable ability to deal with service failures and prioritize customer needs.

- Expert ability to quickly identify and apply new technologies, methodologies, and technical languages.

- Expert understanding of systems specifications and design.

- Expert knowledge of one or more IT specialties (hardware, software, networks); broad knowledge of other related disciplines.

- Superior ability to listen to, clarify, and convey understanding of others' ideas, comments, and questions as well as to integrate and build upon diverse opinions in a manner that encourages the formation of integrated solutions and positions.

- One year of specialized experience at the next lower GS-grade (or equivalent).

- IT-related experience may be demonstrated by paid or unpaid experience and/or completion of specific, intensive training (for example, IT Certification).

- IT- related experience demonstrating each of the four competencies (Attention to Detail, Customer Service, Oral Communication, and Problem Solving).

- Bachelor's degree in business, computer science, engineering, information science, information systems management, mathematics, operations research, statistics, or technology management or degree that provided a minimum 24 semester hours in one or more of the fields identified above and required the development or adaptation of applications, systems or networks.

- Experience in the integration of disparate systems or solutions.

Desired Requirements

- Experience in the development and implementation of Reference Architectures.

- Master's degree in business, computer science, engineering, information science, information systems management, mathematics, operations research, statistics, or technology management or degree that provided a minimum 24 semester hours in one or more of the fields identified above and required the development or adaptation of applications, systems or networks.

- Certifications/Licenses: FAC-C P/PM or equivalent PM certification; DOD Level III PM certification. Certification as an IT architect or enterprise architect from the Open Group, FEAC , or other industry recognized IT architecture certification program preferred.

Key Requirements and How to Apply

Internal ODNI Candidates:

A complete application package must include:

a. **RESUME:** Applicants are encouraged to carefully review the vacancy announcement, particularly the MDRs, and construct their resume to highlight their most significant experience and qualifications relevant to this job opportunity.

b. **PERFORMANCE EVALUATIONS:** Applicants are required to provide their two most recent performance evaluations. A justification is required if the applicant is unable to provide the two most recent evaluations.

c. **VACANCY NUMBER:** Reference the vacancy number in the subject line of the email and on each document submitted.

d. **COVER LETTER:** Applicants must submit a cover letter as a supplement to the resume to elaborate on their qualifications and previous work performed.

WHERE TO SUBMIT: Applications should be sent to either DNI-MSD-HR-RR-Team_B_WMA@dni.ic.gov (classified email system) or Recruitment_TeamB@dni.gov (unclassified email system). Applicants submitting via JWICS are requested to submit their materials to both *joswida@dni.ic.gov (Daniel J.), mitchsl@cia.ic.gov (Stephanie M.) and perryad@dni.ic.gov (Adriane P.)* in lieu of the group address above. All attachments should be in Microsoft Word or Adobe PDF format.

Applications submitted through the classified email system should NOT contain classified information above the TS//SI/TK//NOFORN level.

Current Federal Employees Applying for a Detail Assignment:

Applicants from federal agencies within the Intelligence Community (IC) may be considered for this position as a reimbursable detailee, if endorsed by the employing agency. Applicants must have current TS/SCI clearances with polygraph or have the ability to obtain one. The ODNI does not conduct polygraphs or provide security clearances for detailees. ***Applicants from within the IC must submit an application through the classified IC Joint Duty Program website.***

Applicants from federal agencies outside the IC must provide:

a. **WRITTEN ENDORSEMENT** from the employing agency concurring with the detail.

b. **RESUME:** Applicants are encouraged to carefully review the vacancy announcement, particularly the MDRs, and construct their resume to highlight their most significant experience and qualifications relevant to this job opportunity.

c. **PERFORMANCE EVALUATIONS:** Applicants are required to provide their two most recent performance evaluations. A justification is required if the applicant is unable to provide the two most recent evaluations.

d. **VACANCY NUMBER:** Reference the vacancy number in the subject line of the email and on each document submitted.

e. **CURRENT SF-50:** Federal Government employees must provide an SF-50, "Notification of Personnel Action" to verify current federal status, position, title, grade, and organization of record.

f. **COVER LETTER:** Applicants must submit a cover letter as a supplement to the resume to elaborate on their qualifications and previous work performed.

WHERE TO SUBMIT: Applications should be sent to either DNI-MSD-HR-RR-Team_B_WMA@dni.ic.gov (classified email system) or Recruitment_TeamB@dni.gov (unclassified email system). Applicants submitting via JWICS are requested to submit their materials to both *joswida@dni.ic.gov (Daniel J.), mitchsl@cia.ic.gov (Stephanie M.) and perryad@dni.ic.gov (Adriane P.)* in lieu of the group address above. All attachments should be in Microsoft Word or Adobe PDF format.

Applications submitted through the classified email system should NOT contain classified information above the TS//SI/TK//NOFORN level.

All Applicants:

APPLICATION PACKAGES MUST CONTAIN ALL ITEMS LISTED ABOVE. AN INCOMPLETE APPLICATION PACKAGE WILL BE INELIGIBLE FOR CONSIDERATION.

Your application MUST be received by midnight on the closing date of this announcement. Applications received after the closing date will NOT be eligible for consideration.

To verify receipt of your application package ONLY, you may call 301-243-9040.

What to Expect Next

The most highly qualified candidates will be referred to the hiring manager for further consideration and possible interview. We expect to make a selection within 30 days of the closing date of this announcement. Due to the large number of applications received, applicants will be contacted ONLY if they have been selected for an interview.
