Position Information

*** OPEN UNTIL FILLED: This announcement will be open until the position is filled. Cut off points are scheduled in two-week increments. After each cut-off point, all compliant applications received during the previous two weeks will be reviewed for consideration.***

This is an opportunity for:

- An internal candidate to fill a GS-15 cadre position.
- A Federal Government employee to serve on a two-year reimbursable detail assignment in the ODNI. The detail assignment may be extended an additional year if all parties agree.

Who May Apply

Current GS employees at the same grade or one grade lower than the advertised position grade may apply.

Former members of the Peace Corps may be considered for ODNI employment only if five full years have elapsed since separation from the Peace Corps.

- For a cadre assignment:
  - Current ODNI permanent cadre.

- For a detailee assignment:
  - Current Federal Government employees. (Current GS employees at the same grade or one grade lower than the advertised position grade may apply.)

Salary Determination
The ODNI uses a rank-in-person system in which rank is attached to the individual. A selected ODNI candidate or other Federal Government candidate will be assigned to the position at the employee’s current GS grade and salary. A current Federal Government employee, selected for a detail, will be assigned to the position at his or her current grade and salary.

Component Mission

The Director of National Intelligence (DNI) serves as the head of the Intelligence Community (IC). The DNI also acts as the principal advisor to the President, the National Security Council, and the Homeland Security Council for Intelligence matters related to the national security; and oversees and directs the implementation of the National Intelligence Program. The DNI leads intelligence integration and forges an intelligence community that delivers the most insightful intelligence possible. The Intelligence Community (IC) Chief Information Office is responsible for advancing the Intelligence Community’s mission by driving secure collaboration, integration, and information sharing; identifying and addressing information enterprise risks; and providing strategic leadership and oversight of the Intelligence Community’s enterprise architecture and enterprise information technology.

Major Duties and Responsibilities (MDRs)

- Lead. Directly supervise a team of staff and contracted professionals, fostering a culture of excellence while proactively and collaboratively identifying and addressing mission and workforce challenges. As a leader within the Enterprise Capacity Directorate, the Domain Manager works with their team and senior leadership to move solutions forward and lead the IC to future mission success.
- Analyze. Lead SoCC-related analysis, to include dependencies, cost, schedule, performance, mission impact, adoption-rate, and risk. With key partners, the Domain Manager identifies the best mix of IT investments to support DNI priorities and IC ITE mission objectives, assesses relevant factors, and recommends courses of action that involve alternative strategies and funding measures.
- Coordinate. Drive both intra- and inter-service analysis and implementation of high-priority efforts, working in concert with other domains, IC CIO divisions, ODNI components, IT Service Providers, and IC element partners. The Domain Manager leads or directly supports senior-level engagement to secure authoritative positions on enterprise issues, from policy to funding; orchestrates reconciliation of opposing views; and manages the implementation of enterprise-level, executive decisions.
- Monitor. Oversee IC ITE core service implementation. The Domain Manager assess the services’ performance, ensuring that they function within acceptable levels of funding, security, capabilities (delivered) and technical risk and in alignment with the DNI’s strategy for IC IE IT. Domain Managers recommend service continuation, modification, or termination based on these activities.
- Evaluate. Measure IT Service Provider against established objectives to assess progress against the DNI’s goals. Domain Managers lead IT SoCC evaluations in collaboration with key stakeholders and recommend adjustments to mitigate strategic risks, funding shortfalls, and capability gaps.

Mandatory and Educational Requirements

- Expert knowledge of strategic planning.
- Extensive knowledge of the IC, to include IC elements’ IT organizations (e.g., CIO).
- Extensive knowledge and experience in IC IE IT policies, standards, priorities, and requirements.
- Extensive knowledge and experience in the Intelligence Planning, Programming, Budgeting, and Evaluation process.
- Excellent oral and written communication skills, including the ability to prepare and defend IC and DoD planning, programming, and budgeting products, such as Director of National Intelligence Decision Documents.
• Excellent interpersonal and networking skills, for effectively creating, leading, and participating in collaborative environments.
• Demonstrated analytical and critical thinking skills, including ability to think strategically and evaluate the efficacy of IT systems.
• Demonstrated ability to provide IT management advice and expertise.
