In the name of Allah the most gracious the most merciful.

I praise God, peace and prayers be upon our Prophet Muhammad, his family and all of his companions.

To my generous brother 'Abd Al-Latif,

Peace, mercy and the blessings of Allah be upon you.

I hope that this letter that I have sent to you finds you well and in good health, as we fear Allah.

I urge you to write to me in detail about your security news. We are fine, thanks be to God and, (('Abdullah)), (('A'isha)), ((Usamah)) and ((Siham)) are all doing well, thanks be to God.

'Abdullah is pursuing his studies as well as 'A'isha, however Usamah always asks when he is going to go to school with them. The first thing Siham does when she wakes up is ask, where is my maternal uncle? May God protect them all and may he unite us with you, because he is our master and capable of doing so.

My generous brother,

With respect to the I.D. card, I sent you my picture and pictures of my father because we need them quickly, if possible

Lastly, I told you we had previously been unable to send letters because we were busy with the father involving the statements. With respect to this letter, I took advantage of the opportunity to write to you; we did not forget you - so don't be sad. All there is to it, is that we were busy with the jihad and the nation's issues

Important point:

Please send me the pictures of my brother Sa'ad before and after his martyrdom, as well as pictures of the floods in Jeddah from the internet (Youtube site) or (facebook)
