

In the name of God the most merciful and gracious

Praises to God and prayers and peace upon our prophet Muhammad, and his family, and all of his companions

And following

Dear sister Umm 'Abd-al-Rahman, God bless you

Peace be upon you and God mercy and praise

I am writing to you this letter and the happiness and joy are fulfilling us, and thank God for His generosity and kindness.

Dear sister, we had promised you in the previous letter that we would continue to make the efforts to meet with you, and praise to God who is overwhelming us with his generosity and kindness, and has granted us this wish, which the prophet had asked us to be patient and promised us that it is going to be solved one by one and after a long and strenuous discussion lasting more than one month between my son and his father, from one side and between the accompanying brothers with us. We were able to obtain a written promise and I want to assure you that this is the last and final appointment, no more and no less, God willing; so his father had signed an agreement with the brothers that we will be meeting with you after the 10th anniversary for the battle of New York and Washington and the American withdrawal from Afghanistan and this has made us overwhelmingly happy and joyful, who makes good deeds will be rewarded and God help me repay the favor back; and my son says he will compensate her for what she has missed and she is waiting for him, God reunite him with her and make them happy.
