

**(Fully Translated)**

In the name of Allah, the most merciful, the most graceful

The Magnification of Hope in the Somali Jihad

(They have lied, the fight has come)

Praise be to God, Who denied his followers humiliation, magnified their small numbers, and supported the oppressed, though it comes later, the Almighty who says, "That (is so). And if one has retaliated to no greater extent than the injury he received and is again set upon inordinately, God will help him: for God is One that blots out (sins) and forgives (again and again)" [Partial Qur'anic verse -Surat Al-Hajj 22:60], peace and prayers be upon him, our prophet Muhammad, the chosen, the prophet of the epic and the mercy, the Imam of the Mujahidin, the commander of the unique, and on all his family, companions, and those who followed his path.

Henceforth:

To you, the Mujahidin brothers in Somalia, steadfast and patient, God is with those who patiently preserve the pious, for God is with those who restrain themselves, and those who do well. He is your Protector, and the nonbelievers have no one to protect them.

God Almighty says, "God is the Protector of those who have faith: from the depths of darkness He will lead them forth into light. Of those who reject faith, the patrons are the evil ones: from light they will lead them forth into the depths of darkness. They will be companions of the fire, to dwell therein (forever)." [Partial Qur'anic verse ̣-Surat Al-Baqara 2:257]

There is no harm that you are distorted or siding with a certain side or group, as God willing, will make you the ones on the attack and not the ones who run away. You are the people of resolve. We heard your wisdom and that you are geared up for a long war. We ask God to strengthen you, to be present with you, and to provide you His reinforcements, God Almighty says, "It is He Who sent down tranquility into the hearts of the Believers, that they may add faith to their faith, for to God belongs the forces of the heavens and the earth, and God is full of knowledge and wisdom "[Partial Qur'anic verse - Surat Al-Fatah 48:4].

Therefore, depend on God and do not be discouraged. I swear to God that the nonbeliever enemy is more despicable than what you think and so easy for God to handle...!

This enemy is fighting the followers of God, God Almighty says, "Those who resist God and His Apostle will be humbled to dust, as were those before them: for We have already sent down clear signs. And the unbelievers (will have) a humiliating Penalty..." [Partial Qur'anic verse - Surat Al-Mujadalah 58:5]

And, "Those who resist God and His Apostle will be among those most humiliated." [Partial Qur'anic verse - Surat Al-Mujadalah 58:20]

And, "Who attacked someone I protect, I will allow him to be counterattacked."

O brothers, now is the time to go fighting, the entitlement has become manifest, so fear God and be patient. God will fulfill His pledge if you complete yours:

"So lose not heart, nor fall into despair, For ye must gain mastery if ye are true in faith." [Partial Qur'anic verse - Surat Al-'Umran 3:139]

And, "And slacken not in following up the enemy: If ye are suffering hardships, they are suffering similar hardships. But ye have Hope from God, while they have none. And God is full of knowledge and wisdom." [Partial Qur'anic verse - Surat Al-Nusa' 4:104]

And, "O you who believe! When you meet a force, stay firm, and call God in remembrance much (and often), that you may prosper. Obey God and His Apostle, and fall into no disputes, lest ye lose heart and your power depart. Be patient and perseverant, for God is with those who patiently persevere." [Partial Qur'anic verse - Surat Al-Anfal 8:45,46]

O Mujahidin! Depend on God and hold on to the land, as Usama advised you, dig the trenches, prepare safe bases, get the explosives ready, plant mines in the entrances, the roads, and in the buildings. focus on setting up traps, hit hard on the enemy as they are tired and terrified. They entered your lands like doubtful bandits. Establish strong detachments from your youth, be united like one person, be cautious of disputes and conflicts. Cut the roads on the enemy, disrupt his logistics and

supplies; they are pretty vulnerable. Be mindful that victory means taking booty. Do not forget the sayings of your Prophet, "God made my livelihood under the tip of my arrow."

The mujahidin in Somalia should ease the work of the immigrated mujahidin and direct them to fight the enemy of Allah, as the mujahidin have warm hearts and their eyes are directed to paradise.

The mujahidin in Somalia must learn from their brothers, the mujahidin in Iraq and Afghanistan.

The mujahidin in Somalia should be careful of the air bombardments and should benefit from the art of gathering and dispersion experience, as well as movement, night and day transportation, camouflage, and other techniques related to war tricks.

Good luck comes only from God.

To you, the mujahidin in Somalia, you should not give the enemy the chance to hit from a distance. Be careful of taking things lightly and beware being careless. You should be firm and considerate in pursuing causes. To you, the mujahidin in Somalia, you should never care about the enemy's number or the enemy's equipment, or who's behind the enemy, whether it's the United States or the infidel West. The United States is definitely with them, and the planes that are shelling Mogadishu are no doubt American, but Allah is with us!

Our Prophet (PBUH) said "The believer who is strong is good and more liked by God than the weak one, seek goodness either way, maintain what is good for you, depend only on God, and never give up."

God is on our side!

God Is Great, God is Higher and Superior and Grandest.

God Almighty says, "How oft, by God's will, has a small force vanquished a big one? God is with those who steadfastly persevere." [Partial Qur'anic verse - Surat Al-Q-Baqarah 2:249]

And, "God will certainly aid those who aid His (cause), for verily God is full of Strength, Exalted in Might, (able to enforce His Will). [Partial Qur'anic verse - Surat Al-Q-Hajj 22:40]

And, "O ye who believe! Be ye helpers of God. As said Jesus, the son of Mary, to the Disciples, "Who will be my helpers to (the work of) God." Said the disciples, "We are God's helpers!" Then a portion of the Children of Israel believed, and a portion disbelieved: But to those who believed, We gave power against their enemies, and they became the ones that prevailed. [Partial Qur'anic verse - Surat Al-ʾAnfal 6:14]

And, "O ye who believe! If ye will aid (the cause of) God, He will aid you, and plant your feet firmly. [Partial Qur'anic verse - Surat Al-ʾAnfal 47:7]

Therefore, stay with God, stay with your brothers and your nation, and beware of the people of hypocrisy among us. Victory is near, hopes and prayers to the mujahidin of Somalia. The attack of Ethiopia against the Islamic Somalia and the fact of having the crusaders and their allies advance to the Islamic countries will be cause for a new jihad assertion that you are not afraid to face. To the contrary the end of the enemy will come, so do not abandon jihad.

O the Umma (TN: nation) of Islam, and to you the youth of Islam: rejoice, be hopeful, seek salvation from God, after clouds the sun shines. Go willing, victory is near [So, verily, with every difficulty, there is relief], and be mindful, "Victory comes with patience, and relief comes after hardship."

The blaspheming, oppressor enemy is blind by conceit; his hatred has overtaken him and has caused him not to see the massive consequences of his actions!

Ethiopia's invasion of the Islamic Somali lands and the entry of the crusaders and their collaborators to the Islamic lands are a grave injustice and an act of immorality. God will fight them. All this creates a new wide arena for Jihad. I swear we are the nation of Jihad and martyrdom We fear no wars or fighting, we could die if we stop our Jihad...! God Almighty says,

"You who believe! Give your response to God and His Apostle, when He calls you to that which will give you life. Know that God cometh in between a man and his heart, and that it is He to whom ye shall (all) be gathered. [Partial Qur'anic verse - Surat Al-ʾAnfal 8:24]

Now the real war will begin in Somalia, the nexus of Islam in the Horn of Africa. Now the people of Islam have the chance to have the enemies of God taste the scourge of war. The people of Islam will teach and train their generations in the school of Jihad; they are the ones to establish the souls and then the nation and the state, gradually but surely.

Soon enough you will hear and see.

The war between us and our enemy is a contest; it has its ups and downs.

Does the believer fear anything when he has been secured by God one of the two best: victory or martyrdom!?

God Almighty says, "Say: 'Nothing will happen to us except what God has decreed for us: He is our protector': and on God let the Believers put their Trust. Say: 'Can you expect for us (any fate) other than one of two glorious things - (martyrdom or victory)?' But we can expect for you either that God will send His punishment from Himself or by our hands. So wait (expectant); we too will wait with you." [Partial Qur'anic verse - Surat Al-Qawwah 9:52]

The nation of Islam is proceeding ahead and slowly approaching, all with the blessing of God, and day by day, it is getting closer to getting better and over, and closer to a showing triumph, "And the end is (best) for the pious," "And the end is (best) for the righteous."

The prayers should multiply especially the insistence in praying is important, as praying is considered one of the great weapons knowing that the enemy doesn't possess any!

Anyone among you who is able to join the brothers, do not delay, particularly those in the surrounding countries, they are obligated surely, and God is the best aid.

O God, Here comes Ethiopia, the crusader, is backed by the United States, the leader of the crusaders, who is challenging and fighting the religion of the Mujahidin,

O God, give support to Your slaves the monotheists, the ones who went to Jihad for your sake and to raise the word of Islam in Somalia.

O God, get hold of the enemies by the throat, and we ask for Your help against their wickedness.

O God, with Your aid we can attack them, and with You we are able to move around, and with Your help we can fight.

O God, the protector of the believers, the protector of the pious.

Amen.

Amen.

And praise be to God Almighty,

`Atiyatallah
