In the name of God the merciful the passionate

Thanks to God the Master of Heavens and prayers and greetings on the faithful messenger Muhammad Bin Abdullah, his kindred and all his companions.

Thereafter:

My generous brother Hamzah, may God preserves and guide

Greetings to you by the Islamic greetings, the greetings of Heaven dwellers

Peace be upon you with God's mercy and blessings

To start with, thanks God for saving you from the prisons of the Rejectionists (TN: Shi'a) the wicked Magi. We were following your exit with great patience. I am awaiting your arrival as the path in front of us is long and the tasks are great and plenty.

My brother, Sheikh Mahmud got my ID with driver's license. We asked the sheikh to give it to us or to you, so that you can go to the outskirts of Baluchistan. We wrote to Sheikh Mahmud to give it to you, so you can come to us with God's permission. My generous brother, immediately after arriving at Baluchistan, inquire about the security situation in the place where you are; be very cautious and say many prayers. If the security situation is alright, you may send your photo to Brother Abdullah Al-Sindi, so that he can extract for you an original ID, so that you can move from Baluchistan to Karachi. The road is difficult to move without an original ID. If it is possible to move without the original ID, then use my ID, with God's blessing, to Karachi, then to Peshawar by air or train. When you arrive safely, contact this number. Inform him that you are Hamzah and stay with him; he is informed that you are coming and we will arrange for you to come to us later.

Note: If the ID and the license will delay you from leaving the region or you do not need it, kindly return them to Sheikh Mahmud so that he can return them to us.

Finally:

May God facilitate your coming to us so that we can be assured about you.

I apologize for the short message, because of my occupation with the father, who sends you his greetings.
