

Please send all that is issued from the combating terrorism center of the American military.

(CTC, Combating Terrorism Center- Department of Social Sciences- United States Military Academy) (TN: as given in English)

You have sent some of them to me, thank you, but I lost one of the issues about a statistic of the items read in al-Tawhid wa al-Jihad web forum. I do not know the title. I also lost a movie about brother Muhammad 'Ali Abu al-Sa'ud, Allah affect his release, and the title as I remember (Al Qaeda spy in America) (TN: title as given in English), or something like that.

6- I also ask that you send whatever you can from the site of the Egyptian newspaper al-Sha'b (TN: the people), and al-Tajdid site for Dr. al-Mas'ari, especially his talks and speeches, also the site of al-Haraka al-Islamiyah Lil Islah (TN: The Islamic Movement for Reform) headed by Dr. Sa'd al-Faqih, and al-Maqrizi site. Forgive me for asking too much.
