As for Hamzah's movement, I request that he moves with all possible speed to outside your region, to the outskirts of 'Adilah (Baluchistan). He should take from your side a copy of some brother's ID, and place his photo on it. If that is not possible, and you realized that the original ID of Khalid is useful for him to move towards Baluchistan, and there is a similarity between the two photos, it would be all right. He should attempt to issue an original personal ID for himself, with the help of brother 'Abdallah al-Sindi, during his presence in Baluchistan.

)

2. Concerning Khalid's ID, if Hamzah leaves to Baluchistan with the photo of some brother with his photo on it, and did not use Khalid's ID, we request that it is sent to us. If he takes Khalid's ID and arrives in Baluchistan, we request that it is sent to us after his arrival-with the license, ASAP.

3. Concerning the telephone numbers that brother 'Abdallah al-Sindi promised to send; if you receive them, kindly send them to us so that Khalid would coordinate with him.
