I'd like to let you know that 'Abdallah and all of his brothers are doing well.

1- I want you to update me on the ID card (al-Shankhati Card), and what you were able to do about it.

2- I want you to update me on the family of Shaykh Abu 'Abd-al-Rahman B. M. whereabouts, and what you prepared in regard to the place where I am meeting them. I am waiting for your letter and hoping for no delay. Also, regarding the previous letters which we had received from the brothers following our letters to you; there were no letters from you or them replying on our letters. I am worried about you, and I hope everything is fine. Please, let us know how you are doing and God bless you.

And in conclusion,

I pray to God to protect you and guide both of us on the right path.

Peace be upon you and God bless you.
