

In the name of Allah, the Merciful, the Beneficent

Praise is to Allah, God of all creations, and peace and prayers be upon his Prophet.

To my dear brother/ Abu Sulayman God protect him.

Peace and God's Mercy and Blessing be upon you.

God willing this letter will find you in good health. God bless you also and hopefully you will also, soon. I hope that God will facilitate our way to join you sooner and not later.

Praise to Allah, I am fine, and the only thing missing is being with my beloved 'Abdallah, 'A'ishah, Usamah, and Suham. Praise to Allah I had a vision that I was hugging them and holding them to my chest and talking to them, and I pray to Allah to be soon.

Praise to Allah, we did not leave the area, and the second day of my wedding, God took revenge against the enemies of the religion, al-Disi, al-Gharnay, and al-Dababah. But praise to Allah the front line is two hours away from the area I am in. Of course my wife, Um Sa'ad asks me, What is this? I tell her it is artillery, it is far away, and God protects us all.

In regard to the BM family, they left the area, and their arrival is possible, God willing. But I send them assurances. 'Abd-al-'Aziz knows my house, and I always tell him of my house's location whenever I move. I send hem letters every two days, and they reach him, and they write back. But the last letter I sent with a confidant, closed, and I told them of my location. Of course they know where my house is, if anyone comes or they send something.

Dear brother, I hope you will feel better soon, and you will get married. How was the last operation? It was tiresome for you, and God knows victory is coming soon, but we pray to stay on the right path, and to be satisfied with us, and to have us with the martyrs in his cause.

Dear brother, I have written to you about the subject of al-Shankhati, but I wrote to you that all the matters you want are available; what is father's opinion? I sent you the program for making movies and how to post them and the way to manage it, because I worked on it. I also sent 500 euros to my beloved, I do not know if they reached you or not.

Dear brother, who will the (Beloved) children be with, in the new arrangement, with you?

God protect you from all evil and accept from you and us or fasting of Ramadan. Do not forget us in your prayers.

Attached are photos of Shaykh Mukhtar, God release him and all the prisoners.

Peace and God's Mercy and Blessing be upon you.
