

To my dear brother, ((Abu Sulayman)), may Allah bless him...

May Allah's peace, mercy, and blessing be upon you...

I hope to God that you received my letter while in good health. Dear Brother, did you receive the video clips for the.....

Dear brother I did send the photos for your request for arrangements, and God willing, it will be ready the next time. We ask Allah to facilitate everything and keep every evil away from us.

The period that passed was a tough period, and we ask Allah to keep us steadfast on the right path, and may Allah reward you and us for our good deeds. Included with them during Rabi' al-Awwal were 'Abd-al-'Aziz and Mansur BM, may Allah accept them as martyrs, including my brother-in-law, who followed the footsteps of his brother who became a martyr a year ago. We ask Allah to accept their martyrdom, and we hope that we join them. All thanks to Allah the mighty, two weeks after their departure, Allah blessed me with baby boy named Sa'd, who looks like 'Abdallah.

I also sent you a program for viruses, but you need to install a new Windows, then enter the first virus program and the programs of..... Dear Brother, in reference to B M's family, they asked to travel to Karachi for treatment, a change of scenery, and other things. We ask Allah to provide them with endurance and patience. All thanks to Allah, I made arrangements for them, and they currently are staying with ((Abu al-Harith al-Sindi)), may Allah bless him, and communications are ongoing through letters. So, if there are any letters for them, it is coordinated.

Forgive us for the shortness of this letter, and don't forget us when making Da'wah. I was blessed with a baby boy Sa'd on 03 Rabi' al-Thani .

May Allah's peace and mercy and blessing be upon you...

((Abu 'Abdallah))
