

In the name of Allah the merciful and compassionate

To the loving and dear mother, may Allah protect her and
bless her

May Allah's peace, mercy and blessings be upon you

I hope my message finds you in good health, tranquil mind
and heartiness.

God only knows, my dear aunt, all thanks to Him that you
sent (a message) to your son who was waiting to reassure
about your health, well-being and news and second your
advice.

Before the kids of B.I.M. became martyrs, their mother and
siblings wanted to go to Karachi for treatments. After the
martyrdoms of 'Abd-al-'Aziz and Mansur, they arranged for
them, and thanks to Allah, they arrived to the brothers
there. Also, there is a way to deliver messages to them in
case you send them messages, may Allah facilitate things
and grant them patience.

My regards to 'Abdallah, 'A'ishah, Usamah and Siham. May
Allah reunite us with you and may Allah relieve everyone.
May Allah grand Khalid a righteous wife very soon, amen.

We ask Allah to bless you; I am also sending the
curriculumms and some various programs, in addition to the
entire notebook that is written in your handwriting.

Forgive us for the briefness of the message. Do not forget
us in your prayers for Allah to grant us patience, success
and martyrdom.

Your delinquent son
Abu-'Abdallah
