In the name of God the merciful the compassionate

Thanks to God, and prayers and greetings to the Messenger of God and on his kindred, and all his companions and who supported him

To the dear son, Hamzah

Peace be upon you with God's mercy. The father conveys his greetings, and is asking you to leave the region as soon as possible, and to follow up the matter on your own, taking the security constrains into consideration. It is required that you leave the region and go to Baluchistan and then to Karachi. This is to be arranged with Shaykh Mahmud and al-Sindi, and from there you contact this number ((2261262)).

A person will come to receive you, and if it was possible to leave on a cloudy day and in an unknown car, it would be better.

Shaykh Mahmud will give you the ID and license of Khalid, that may help you along the road. If you feel that it may cause a delay in your exit, leave it and move. The most important thing is to abide by security aspects, leaving any commitments and going as soon as you can.

The father was delighted by your letter, and he asks God that he will benefit from you, and hopes to meet with you, to take some of his experience by both the easy and the hard ways. He has prepared a lot of work for you.

As for the books, the father says that you should leave them with the entourage and he will submit them to Shaykh Mahmud to send them to you later. Also, the things that were sent by al-Halabi's wife, they should be left with Shaykh Mahmud, and he will send it to us later.
