

IC IG Releases the Evaluation of ODNI Under the Reducing Over-Classification Act

Pursuant to the Reducing Over-Classification Act of 2010, the Intelligence Community Inspector General produced the following report that examined ODNI adherence to applicable classification policies and regulations. The IC IG evaluation also includes a trend analysis, which found areas that need to be emphasized across the Intelligence Community. In order to complete a thorough analysis, the IC IG waited until the other IGs at CIA, DIA, NGA, NSA and NRO completed their reports.
