

FTO Logos and Emblems, as of July 2026

FTOs use logos and emblems to spread their message, further recruitment, and maintain branding. The logos in this chart are commonly associated with groups designated as FTOs (including their subsidiaries) by the Secretary of State under section 219(a) of the Immigration and Nationality Act. These emblems are on several forms of digital or physical media. The presence of these logos or emblems on an individual's devices, for example, may inform a reasonable basis to conclude that the individual supports an FTO or consumes FTO messaging. Since the last update to this chart in June 2025, eighteen FTOs were designated and added. Hay'at Tahrir al-Sham (formerly the al-Nusrah Front) was delisted as an FTO on 8 July 2025.
